THE HAVERFORD SCHOOL
Haverford, Pa.

In Appreciation

The Haligoluk staff and the class of 1962 would like to extend their thanks to two teachers who have contributed a great deal to the improvement of Haverford's students.

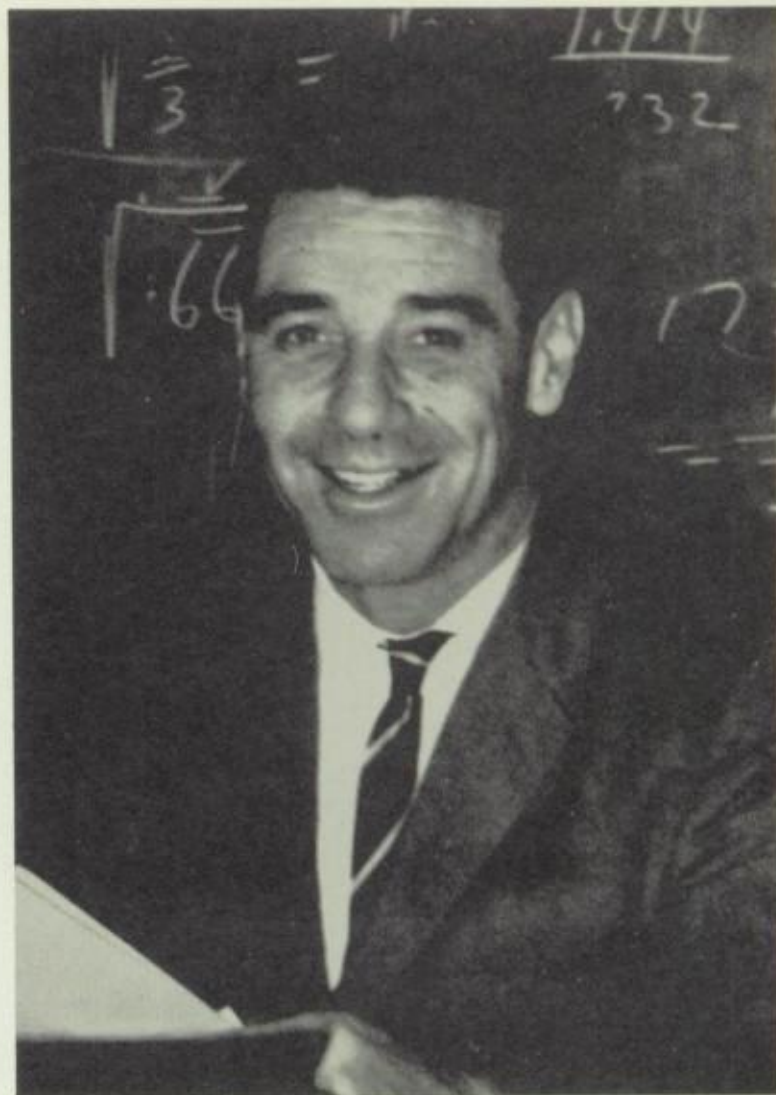

Mr. Charles Boning and Mr. Donald Brownlow teach different courses in different parts of the school, but they do the same fine job in preparing their students for the work ahead.

Mr. Boning teaches mathematics to the boys in grades four through six. His excellent preparation in the fundamentals of arithmetic makes it far easier for boys to cope with the more advanced steps in the following years. Even in the senior school boys find a lot of "new" work much less complicated because of Mr. Boning's brief introduction years before. In the classroom and on the athletic fields, where he coaches many successful teams, Mr. Boning is a strong leader who commands the sincere effort and lasting respect of his students.

Mr. Boning, who is from Boston, attended Harvard University. After graduation he earned his Master of Science Degree in Education at the University of Pennsylvania and studied at Boston University and the University of Paris. He came to Haverford in 1941 to teach Latin and French, but soon achieved amazing success at teaching mathematics.

DONALD BROWNLOW

CHARLES BONING

Mr. Brownlow teaches the mandatory sixth form course in modern American history and international relations. His school year is dedicated to this course and to the senior class. He gives a college-type lecture course specifically designed to acquaint the seniors with the kind of instruction they will receive in college. Mr. Brownlow treats each student as an adult and expects complete responsibility and initiative. This too is in preparation for college work. Throughout the year Mr. Brownlow works on arranging international relations field trips to Washington and New York; he helps bring in speakers for the assembly programs; and he acts as faculty advisor for the dance committee. This year he set up an elective course in comparative governments. This entailed more field trips for him to organize.

This complete interest in the courses and activities of the senior class brings Mr. Brownlow very close to every graduating student. Everyone remembers him and thanks him for his part in preparing his students for college.

Mr. Brownlow attended the University of Pennsylvania, where he received his B.A. and M.A. degrees. He also did graduate work at Penn and at the University of Zurich before coming to Haverford in 1951.

The Headmaster's Message

As usual, I write in December a message that will not be read by the senior class until next June. To make prophecies at this early date about the success of the college admissions program is extremely risky. About certain other matters, however, I can forecast with complete confidence.

By June, 1962, certain members of the graduating class will wish that they had applied themselves more industriously during the winter months. Others will be glad that, thanks to conscientious work throughout the year, they have been admitted to the colleges of their choice. However the race may have come out, most of you will be about to move from secondary school life to the "freedom and independence of the college environment." Doubtless you anticipate this experience with enthusiasm,—and you should. You are fortunate young men.

This leads to my final prediction: the wise college freshman, applying his independence of choice and action, will find that he places himself under far greater restrictions in college than were required of him at Haverford. Remember, when our society gives to its members maximum freedom with minimum controls, it expects the individual to limit his own freedom and independence for the good of the society. Only so can such a society survive. Paradoxical as it may sound, a truly free society is one that calls for maximum restrictions, on a *voluntary basis*, of "freedom and independence."

Fortunately, most freshmen accept this responsibility. The few who do not will soon find themselves in a workaday world or in military service. That will be too bad, because the workaday world and military service desperately need the trained leadership of those who know how to limit their freedom and independence.

Be a wise freshman. Surrender as much freedom as is necessary to stay in college. This will be good for you and your country. Your diploma will be evidence that you comprehend the meaning of a free society.

Monsieur Crees,
Well, another and the
final year at the prep is
drawing to a close, but what
a blast it's been. What a farce
Big Georgia's course has been.
Too bad you didn't get your
exemption. Lost your
essence, I guess. Never forget
the time we had in Lauderdale + at
the Sea Ranch. It was a long walk.
Keep up the good work in sports
up at Calby. Ha! If you ever
get down to U. Va. look me up
and we'll check out some
more Seagrams & signs!
Stay sober - Sure
- Newt

*Chis I know how
hooked-up you feel
don't take it so
hard after all you're
able to come back
every once in a while and
see Mr. Agade. Just think
of that it will surely
bring you around
Keep in line up there
at Colby and if not next year
I expect to see you winning
the place in your
sophomore year
Good Luck
Don*

During the 1961-1962 school year, 349 boys were enrolled in the classes and activities of the Junior School. They were divided by a new scholastic system in which each grade had an accelerated section of students who by ability and effort had maintained high standards of scholarship.

The boys participated in many activities. The eighty-member Glee Club, directed by Mr. Raper, presented Christmas and Spring concerts. Its choir group brought additional music to the morning assembly programs. In these programs, the students saw movies, listened to lectures, and watched plays presented by their classmates.

The sixth grade took its annual trip to Williamsburg, Virginia, and other classes visited places of interest nearer the school. As in past years, the Junior Schoolers collected used toys and Christmas stockings for the Philadelphia Children's Hospital. Everyone got a chance to show off his pets or hobbies to classmates, teachers, and parents in the traditional Hobby Show.

This year the younger athletic teams participated in intramural games instead of interacademic league competition. During the winter, the gym program stressed physical development by calisthenics. At the close of the season, the boys displayed their skills at the Gym Exhibition.

The Index

The 1961-62 *Index*, under the supervision of Mr. James S. Campbell, had a highly successful year.

Editor-in-Chief, Walt Smedley, and Managing Editor, Jim Carty, had the sometimes tedious, and usually impossible, job of publishing a different issue every two weeks. The two editors proved equal to the task, however.

Before actual publication, Harbie Moore and Andy Hogg were constantly taking pictures for the next issue, and Phil McGarvey spent most of his time trying to get volunteers to type the articles once they were hand-written. After publication, it was Bob Powell's job to see that each issue was properly distributed throughout Haverford and other schools as well.

This year's staff would like to thank all the underclassmen who have worked on the paper and hopes that they will labor just as effectively in the future as they have in the past.

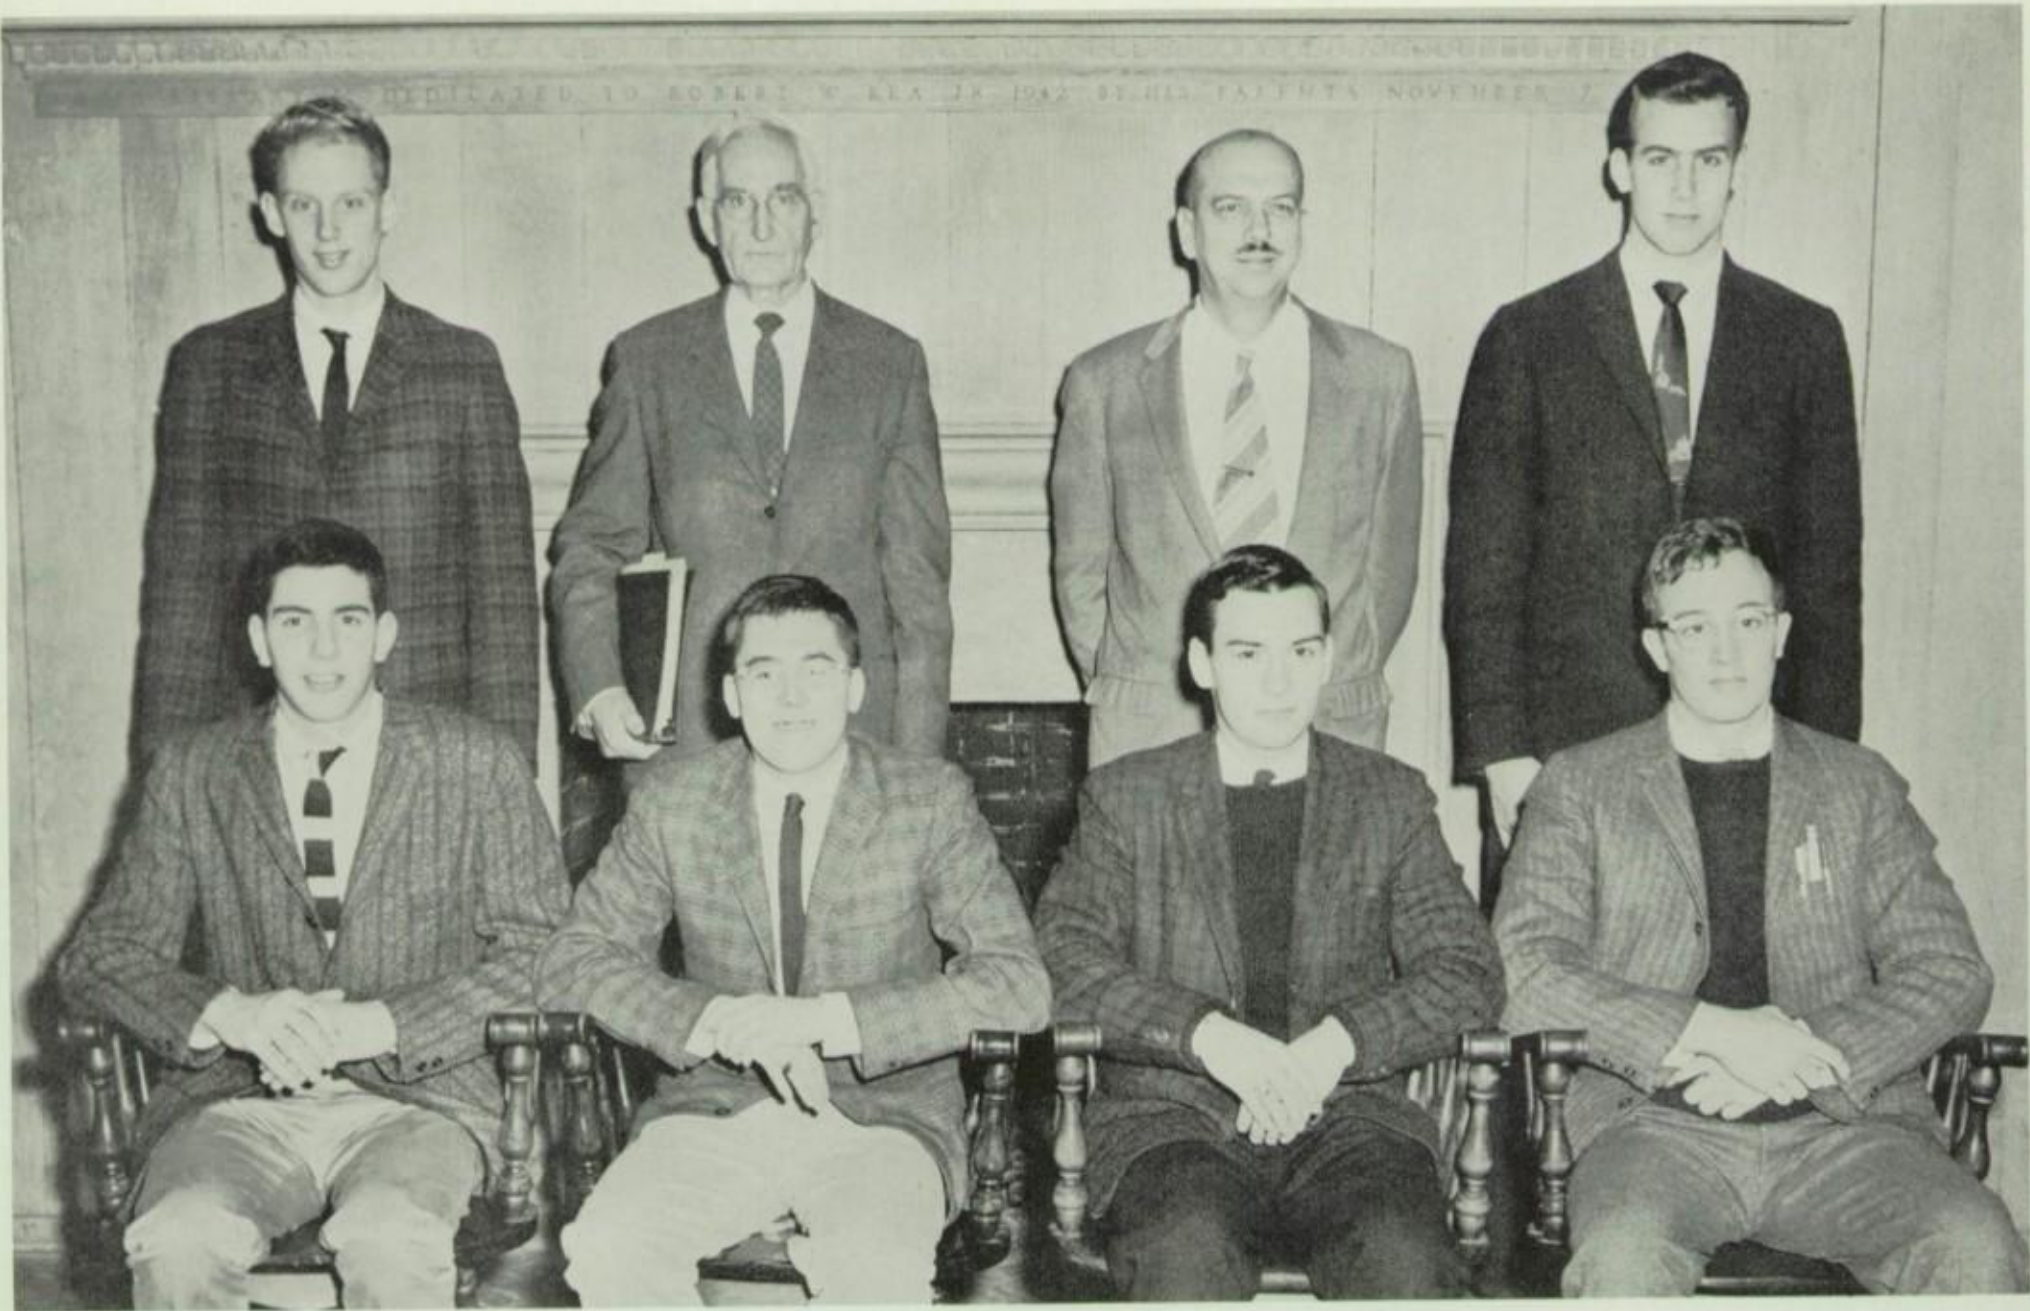

Left to right: Price, Calder, Costello, Seiver, Allen, LaForce, Harrison, Duer, Reeves, Stringer, Larzelere.

Student Council

This year's Student Council attempted to represent the student body in relations with the faculty and to take an increased share in school government. To carry out these goals, the Council held a meeting every Thursday during club period. After considering the school's needs, it made suggestions to the faculty through Mr. Kingham. The Council worked the Administration on matters of disciplinary action and on the problem of cheating.

The influence of the Student Council was evident in many phases of school life. As well as organizing the Messenger Committee and the Lunchroom Committee, the Council received from the faculty renewal of the senior final examination exemption system. The student government worked to improve school spirit in the lower forms. A gripe session open to the entire student body gave the students a chance to bring new ideas before the Council. Articles in the Index told of the Student Council's activities.

Standing: Calder, Dr. Newhall, Mr. Sensenig, Ross
Seated: Reichel, J., Howson, P., Moxey, West

Cum Laude Society

The Cum Laude Society is an honor society which recognizes the scholastic achievements of the students. It was founded in 1906 as a secondary school society to be modelled after the Phi Beta Kappa.

Membership in the society may be granted to no more than the top tenth of the junior class in that year. By the end of the senior year, the top fifth of the class may be admitted.

The president of the Haverford Chapter of the Cum Laude Society is Dr. Severinghaus, the secretary, Dr. Newhall, and the treasurer, Mr. Sensenig.

Standing: Reichel, J., McGarvey, Moore
Seated: Larzelere, Calder, Allen, West

Signet Society

The Signet Society is an honor organization which recognizes those boys who have been outstanding in extracurricular activities. The purpose of this organization, as stated in the constitution, is to "develop a wholesome school spirit, to support the best things that the school undertakes, and to discover and encourage ability in all activities in which the school takes part."

After each marking period, two seniors are admitted into the society by earning points in different phases of school life. The scholastic position of the boy and the relative importance of his activities determine the number of points that he earns. Only high-point men and those who have been elected by the students become members.

This year's president was Joseph Calder.

Back: McGarvey, Phillips, LaForce, Mr. Campbell, MacBean
Front: Baker, Smedley, W., Johnson, R., Carty

Dramatic Club

The Dramatic Club is one of the oldest and most popular activities offered by the school. This year, as usual, the club gave two presentations, one in November and the other in March.

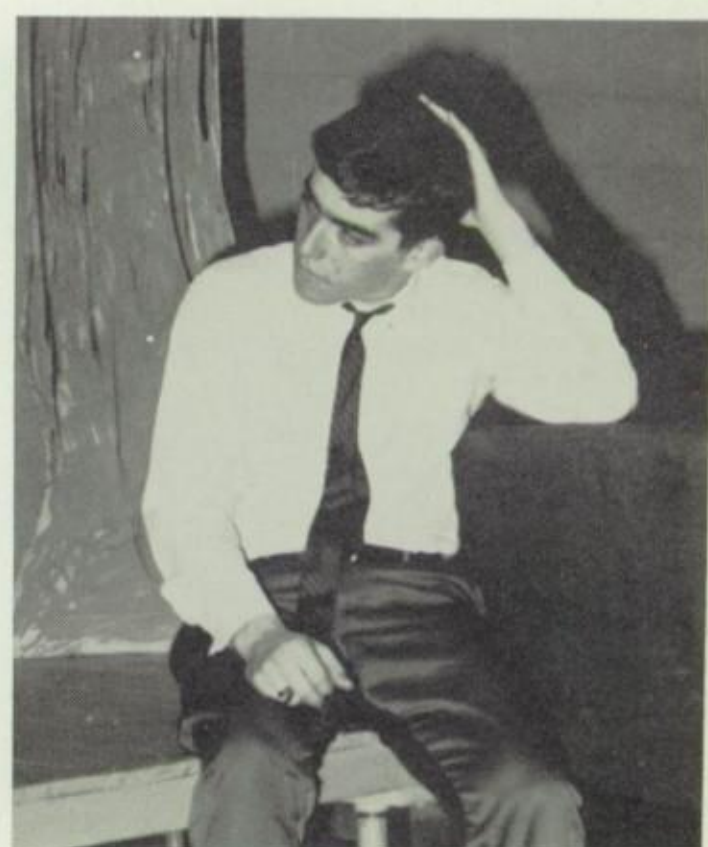

The fall production consisted of three one-act plays. They were: "If Men Played Cards as Women Do," "Aria da Capo," and "The Monkey's Paw." The spring play was *The Ugly American*.

This year the dramatic club was able to rely upon the assistance of Mr. Campbell, Mr. Blackstone, and Mr. Hofstetter.

The President of the club is Phil McGarvey, the vice-president is John Phillips, the secretary is Tom Baker, and the business manager is Walt Smedley.

Dramatic Club Officers: Phillips, McGarvey, Baker

Standing: Kennedy, S., Hannigan

Left to Right: Riley, Hayward, Johnson, R., Kirshner, Swift, E., Johnson, D., Baker, Knowles, Stevens, McGarvey, MacBean, Edeiken, Glasberg

Polemics Club

Because of the departure of Mr. Woodward from the faculty, this year's Polemics Club had a new faculty advisor, Mr. Cullen, a newcomer to the school. Under the competent aid of Mr. Cullen and the hard work of the four officers—Hank Hannigan, Syd Kennedy, Walt Smedley, and Phil McGarvey—the club accomplished its goal to promote better speaking delivered with "greater confidence, conciseness, clarity, and consistency."

During the regular club period, the boys held informal discussions and prepared debates on their favorite subjects. These talks emphasized "off-the-cuff" or extemporaneous speaking in an attempt to develop greater confidence and poise in the speaker.

Several outside debates were planned with Shipley and other schools.

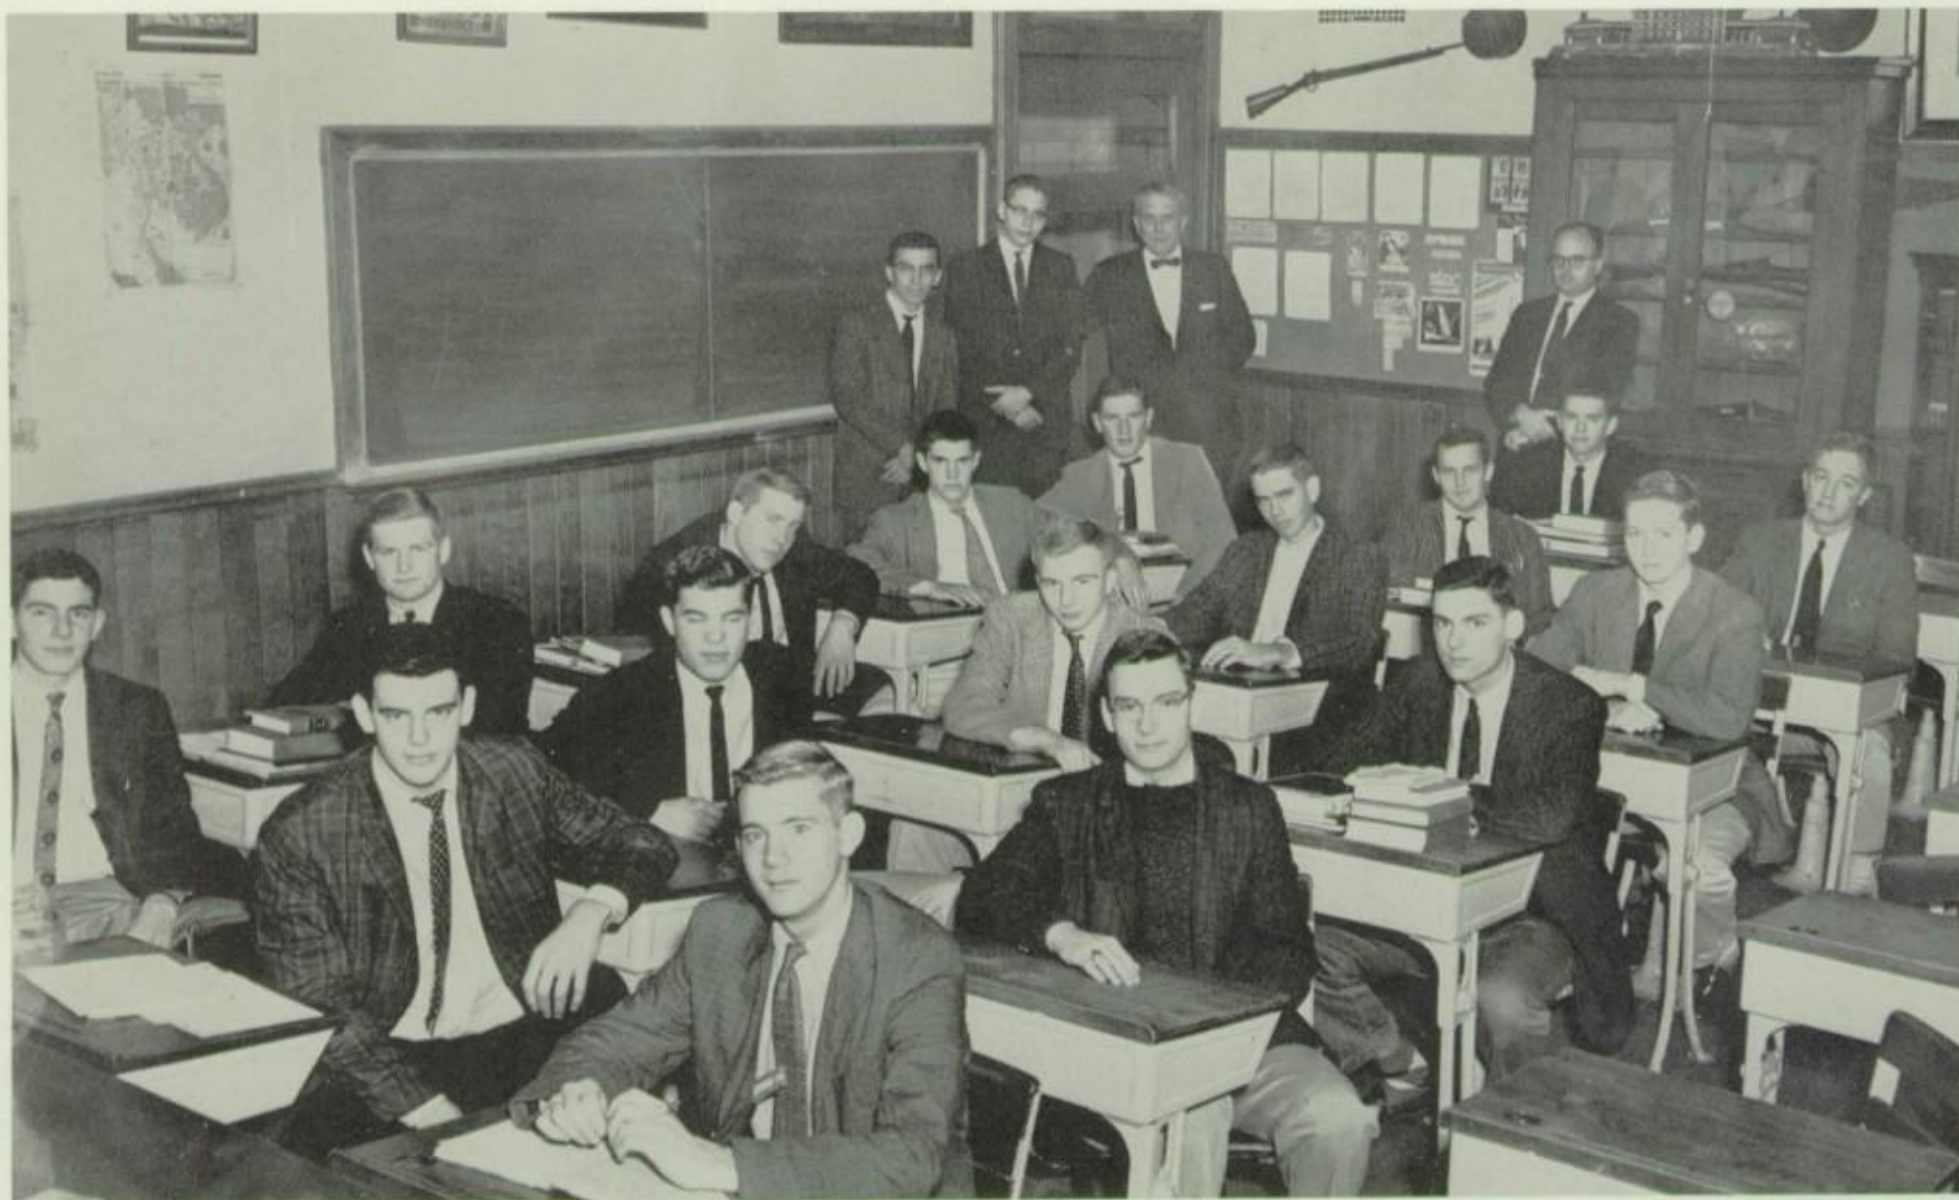

Standing: Butler, Bonner, Wilkens, D., Stringer, H., Taylor, B., Scott, S., Mr. Visser, Bullitt, Singer, Robinson, E., Schmidt, Smith, G., Butcher, Morris, S., Oram, High
Seated: Wilkes, Nickle, N., Rosen, Lovelace, J., Pfaeffle, Lamphere, Levit, Lincoln

Current Events Club

This year the Current Events Club had a new faculty adviser, Mr. Visser. The boys always had something interesting to discuss during the period. The members gave talks on international and national affairs at each meeting. Occasionally they held round-table discussions on such topics as fallout shelters. Several film strips were shown during the year.

Under the sponsorship of the World Affairs Council of Philadelphia, several boys took trips to New York or Washington, D.C., where they sat in on the proceedings of the United Nations or interviewed government officials.

Credit should be given to Mr. Visser, president Jim Oram, vice president Tippy High, secretary-treasurer Saul Levit, and program chairman Lee Lamphere. Their work made the club a big success.

Standing: Nickle, D., McLean, Dr. Severinghaus, Mr. Brownlow
 Back Row: Reichel, J., Newbold, Shay, Dunn, Hess
 Second Row: Ely, Lindsley, Heckscher, Voorhees, Andruss, Seath
 Front Row: Gay, Moxey, Wahmann, Foltz, J., West

COMPARATIVE GOVERNMENT COURSE

The Comparative Government Course was originated this year as a club activity for those seniors interested in studying the differences between the democratic and communistic forms of government. If the course is considered a success by the faculty and administration, this field of study may become incorporated into the regular senior American History course.

Activities of the club this year included weekly lectures by Mr. Brownlow and a trip to Washington, D.C., to observe the House Un-American Activities Committee.

The club was honored to have Dr. Severinghaus attend many of the weekly lectures.

Standing: Mr. Powell

Seated: Spence, Bailey, League, Voorhees*

Dance Committee

This year, as in previous years, the Dance Committee was faced with the difficult problem of selling enough tickets to break even. Since many more people seem to be willing to listen to recorded music in the cafeteria, rather than pay three dollars to dance to a good band in more festive surroundings, the committee found it necessary to give several small dances. These helped balance the high cost of the Winter and June Formals.

The formals were well attended, probably because of the ceaseless efforts of ticket sellers, who did everything they could to earn their commissions. Some employed the hard sell; others even went so far as to imply that the purchaser of a ticket was entitled to an early breakfast at Mr. Brownlow's house.

Service Club

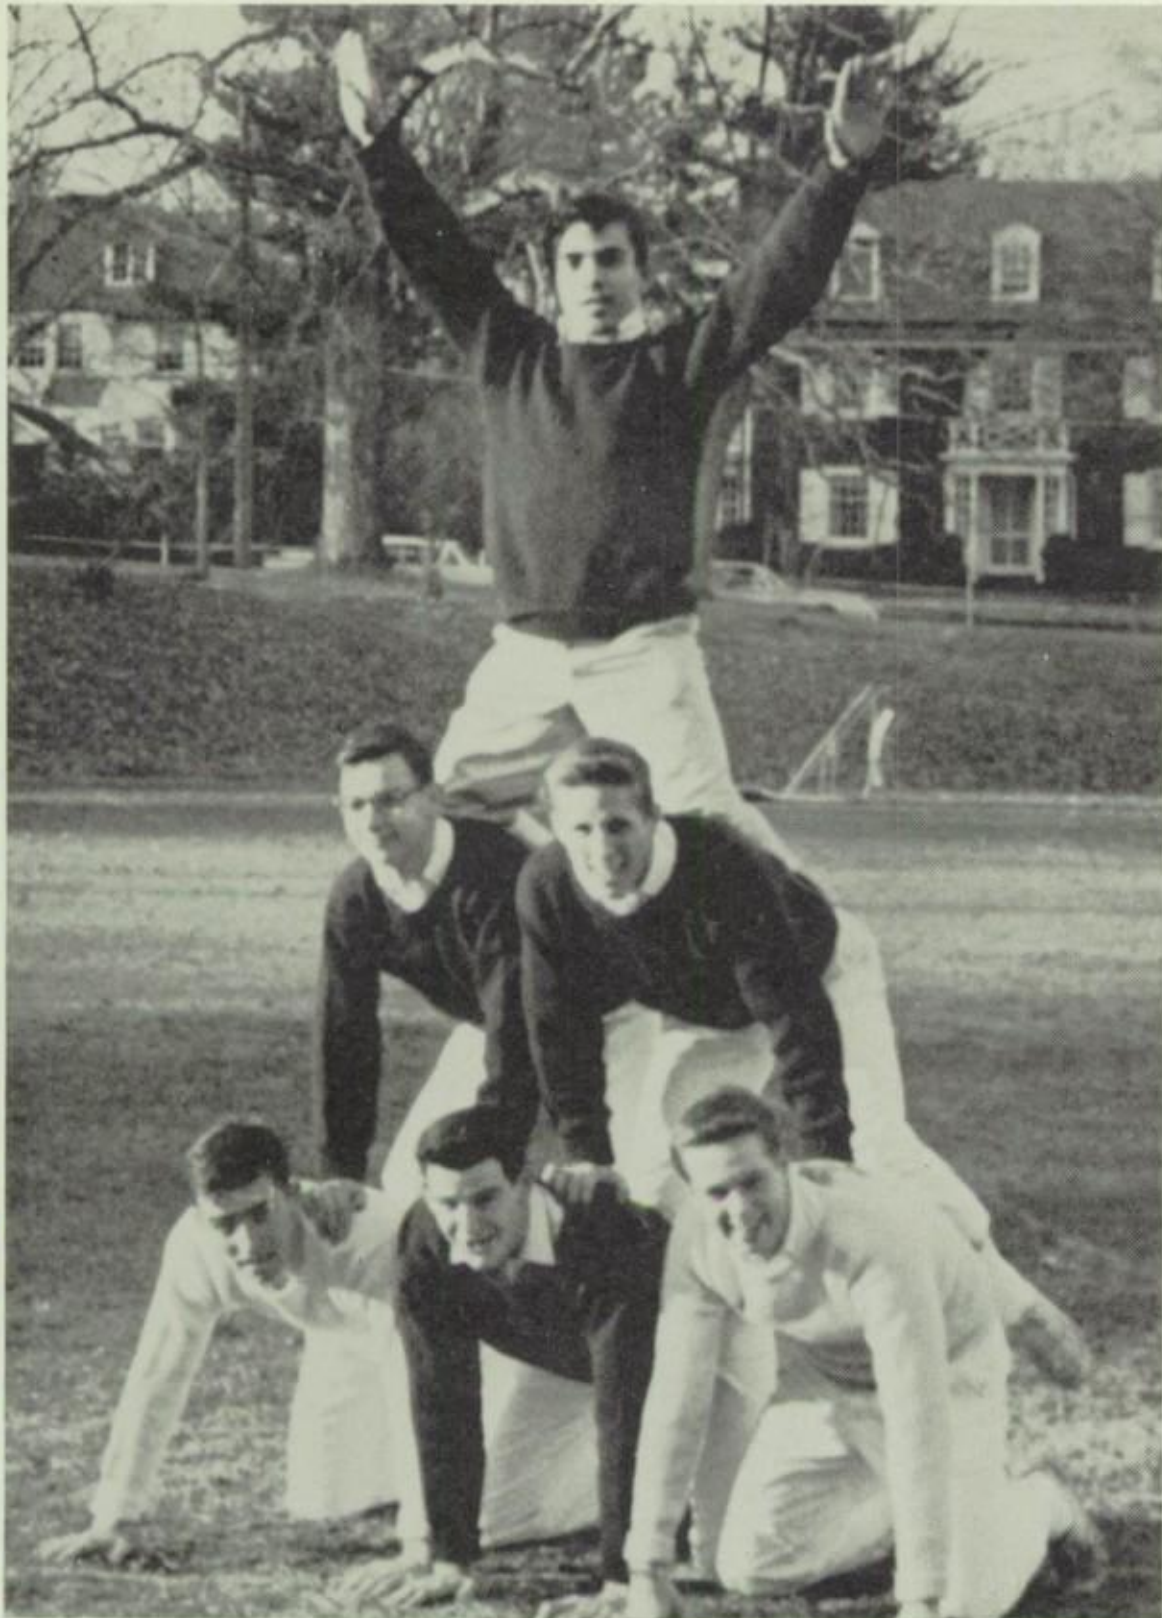

Service Club Officers: Johnson, R., Powell, Reeves, Costello

Each year, The Service Club donates its profits to charity. This year, the proceeds from sales at the Jigger Shop and from student donations during the year went to support the United Fund charities.

The Jigger Shop is the school store where students can buy candy and minor school supplies, such as book covers and decals, during the morning recess. Members of The Service Club spend their recesses operating the shop. As part of their duties, they act as salesmen, take inventory, and keep accounts. At the end of the year, the shop's profits are divided and contributed to charitable organizations.

Assisted by Mr. Haviland, the officers and members of the club worked hard at its operation.

SPORTS

Mr. Smith, Mr. Baker, Mr. Cullen, Mr. McQuillen, Mr. Heyward.

Athletic Staff

The five men in the picture above are known by almost every student at Haverford. They head the department of physical education, and are responsible for scheduling practices and games, maintaining equipment and facilities, getting coaches and assistants, and supplying the boys with all the necessary gear for their activities throughout the entire year.

In addition to the athletic staff itself, many teachers spend a great deal of time coaching boys from fourth grade to sixth form in the many different sports. Without their unselfish and enthusiastic help, there could be no organized sports program, and every student would miss a great deal of enjoyment, relaxation, and physical improvement.

Varsity Football

COACHES: Baker, Dunn, and Cullen

FIRST
TEAM

Albert on the Move.

Ben "E" King

Like A Champion.

It took only four years for Mr. Baker to coach the varsity football team to its first Inter-Academic championship since 1951 and its first undefeated season since 1944.

The team's record of eight wins, no losses, and no ties was in part due to the help of two new members of Mr. Baker's coaching staff: Mr. William Cullen, who worked with the ends, and Mr. Grant Dunn (All Inter-Ac center at Haverford in 1953), who worked with the center of the line.

A number of returning lettermen, who seemed to gain speed along with weight over the summer, sparked the team throughout the season.

The season started with a 6-0 win over Frankford, on a pass from Reese to Elliott. In the next game, with George School, touchdowns by Reese and Elliott accounted for a 12-0 win. The third victim, Chestnut Hill, went down 20-0. Grafton Reeves' 80-yard run was the highlight of this game.

In the first league game, Haverford defeated a surprised Penn Charter eleven, 13-6. Harrison's score on an interception and Reeves' touchdown run gave Haverford its first win over the Quakers in seven years.

Next, a decisive 23-0 score extinguished Malvern's hope for a League title. The following week, Whitney Smith scored 24 points and Reeves tallied 18 in a 53-7 trouncing of Germantown Academy.

After a non-league win over Tower Hill, 20-6, the team met Episcopal and walked off with a 13-6 victory which wrapped up the league title and a majority of places on the All-Inter-Ac team.

Elected to the Inter-Ac first team were Captain Stringer, at center; Smith, at halfback; Reese, at quarterback; Shay, at guard; Hess, at tackle; and Elliott, at end. Charrington, guard, and Reeves, halfback, were placed on the second team. Dunn Ross, Harrison, and Larzalere received honorable mention.

A final award went to Stringer, who received the Crowell Award as the most valuable player in the Philadelphia area.

Back Row: Mr. Heyward, Hall, Schmidt, Vallely, Mr. Smith. Second Row: Duer, Pfaeffle, Greenough, Johnson, MacBean, C., Lamphere, Blair. Front Row: Price, Moore, Calder, Bailey, Reeves, W., Gay, Cantrell, West.

This season furnished an excellent illustration of what one crucial game can do to a team. The team, heavily favored to repeat as Inter-Ac champs along with Episcopal, went undefeated in its first nine games: victories—Penn Charter (2-1), Friends Central School (2-1), and Moorestown Friends School (3-1), Germantown Academy (4-2), Chestnut Hill Academy (5-2), and Westtown (3-0), a team Haverford had not beaten for eight consecutive years; ties—Episcopal, Germantown Friends School, and Haverford High.

The crucial game of the season was the second Penn Charter game, when an unlucky break in the first quarter paved the way to a (1-0) lead by Penn Charter. Big Red came back after halftime and tied the score. But a relentless offense by Penn Charter resulted in a heart-breaking 2-1 setback. The team seemed to rebound somewhat against Friends Central School (4-1), but lost the next two games to Germantown Friends School (3-0) and Episcopal (2-0). The next game was the lowest point of the entire season, a scoreless tie with Germantown Academy. The last game was a well played (4-0) victory over Chestnut Hill, thus ending on a bright note a mediocre 8-3-4 won-lost season.

Co-Captains

Special recognition must be given to Co-Captain Sam Bailey (Michael Dowling trophy, and first team All Inter-Ac), Co-Captain Bill Reeves (Ex-Soccer Captains' Award, second team All-Inter-Ac), Dave Cantrell (leading scorer with fourteen goals, first team All Inter-Ac), and Harbie Moore (second team All Inter-Ac). Rob Johnson, Rich Blair, Lee Lamphere and John West were all Inter-Ac honorable mention. Joe Vallely became manager at mid-season, and did a fine job.

Basketball

The varsity basketball team finished with a winning season for the first time since 1958. Haverford finished fourth in the Inter-Ac with a slightly disappointing 7-5 record. In all, the Fords won 11 and lost 9, knocking off highly regarded Lawrenceville and Malvern.

The season started on a sour note with a loss to Upper Darby 43-58. The Fords quickly bounced back, however, by squeezing past Lawrenceville in overtime, 46-43. Encouraged, the team easily won its next two games against Harriton and the Pennsylvania School for the Deaf.

During the holiday, Haverford lost two games in the Wayne Rotary Tournament. This was just the beginning of a miserable Skein in which the Fords lost seven games, including its first three Inter-Ac contests.

The following week, the Fords rebounded and won five straight. The highlight of the season occurred during this streak when they defeated Malvern, 67-43. However, the team was defeated by Penn Charter and Episcopal in overtime, 45-46. The team won the remaining four games very easily.

Lettermen this year were Captain Allen, Steve Shaffer, J. Reichel, T. Stevens, G. Reeves, Joe Calder, P. Howson, and Bob Powell. Much of this year's success is due to Mr. Prizer, who did a very commendable job.

Next year's team looks forward with optimism to average this year's defeats. This may happen with a good J.V. team coming up, and All-Inter-Ac Steve Shaffer returning.

COACH McQUILLAN

Free relay team

Shay flies to victory

This year's swimming team compiled a creditable record of seven wins and four losses. Finishing fifth in the Interscholastics at Lawrenceville, the mermen turned in a good performance in which Peter Grade set a new meet record and also a national prep school record of 1:05.5 in the 100-yard breast stroke.

Captain Townley Larzelere proved to be a dependable leader, contributing victories in several events during the year. Andy Hogg was a steady winner in the 100 yd. free, as was Grace in the breast stroke. The medley relay team of Larzelere, Shay, Grace, and Hogg set a new pool and school record of 1:45.8 in the Valley Forge meet. Tom Spence, Steve Stack and Steve Chance were consistent scorers in the freestyle, as were Ed Shay and Dave Wilson in the butterfly and back-stroke respectively.

Victories were recorded against Malvern, Germantown Academy, Girard College, Hill, Penn Frosh, and Valley Forge. However, the tankmen were defeated by Lawrenceville, Princeton Frosh, the Naval Academy Plebes, and the West Point Plebes, the second strongest freshman squad in the east.

The Hill meet was the climax of the season. Stack took nine seconds off his best previous time in the individual medley and earned a second to place the Fords back in contention. A victory in the medley relay put Haverford six points behind with one event to go. The freestyle relay combination of C. West, Spence, Shay, and Larzelere won the event and gave the team a well-earned victory.

An immense amount of credit should be given to Joe McQuillen on his twenty-ninth anniversary as swimming coach at Haverford, for leading the mermen on to a most successful season.

Next year, the team hopes to continue on its winning ways, and with several starters returning the job will be a lot easier.

Wrestling

'62 Inter-Ac Champs

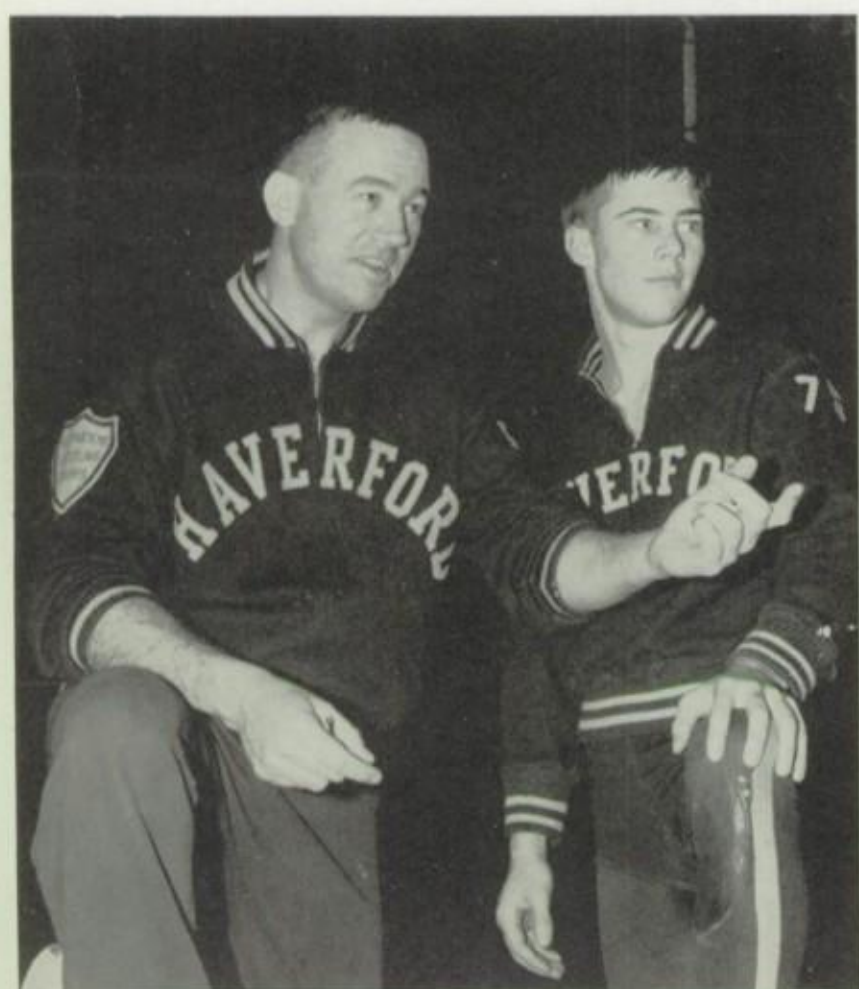

This year's wrestling team again compiled an impressive string of victories. Coach Neil Buckley did his usual outstanding job of bringing his team to a winning season (15-1). The grapplers took their 12th straight Inter-Ac title, a new record for any team in the league.

The team opened the season with a loss to

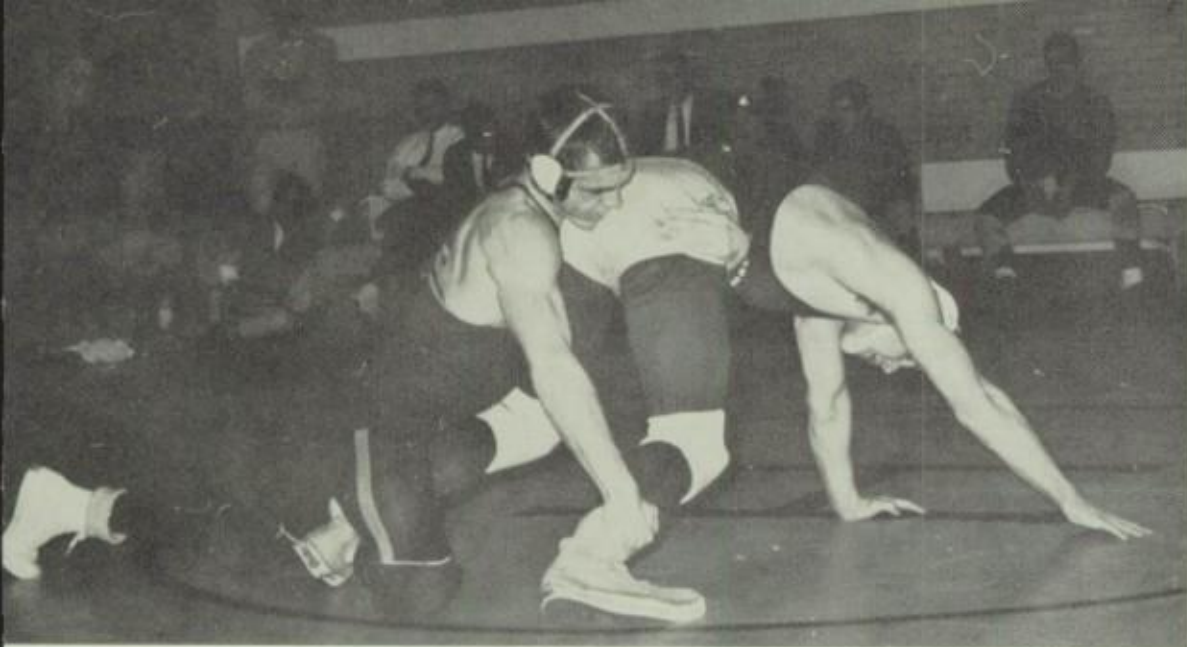

Pennsbury (20-18). After this, Capt. Nance and Coach Buckley worked hard with the team. Their efforts were rewarded. On the 6th of January the team traveled to Bryn Athyn where the Fords crushed their always strong rivals (32-13). After defeating Peddie (28-5), the grapplers faced an unusually spirited Perkiomen team that was looking for an upset. They were, however, rudely surprised by the matmen (25-17).

Victories over Valley Forge (45-3) and Girard (25-17) followed in quick succession. Seeking a shut-out, the Red traveled to Malvern on January 31, where, due to an injury to heavyweight Stringer, the Fords had to be satisfied with the impressive score of (51-5).

The team showed its added spirit by defeating Conestoga (34-6), Episcopal (45-3), and Wyoming Seminary (36-6). On February 14, the Buckleymen reached the high point of the season by shutting out a highly aroused Friends' Central team (46-0). This was the second shut-out in the history of the Inter-Ac league. They then went on to defeat Blair (28-5) and, for the first time, to score more than 40 points against Penn Charter (42-10). A strong Mercersburg team fell to the Fords (38-5), as did the team from Germantown Academy (45-2). To round out the season the matmen crushed Germantown

It looks hard, but it isn't.

"Young Spider Jack."

You don't struggle enough!

Harvey stops Conestoga.

Harvey in action

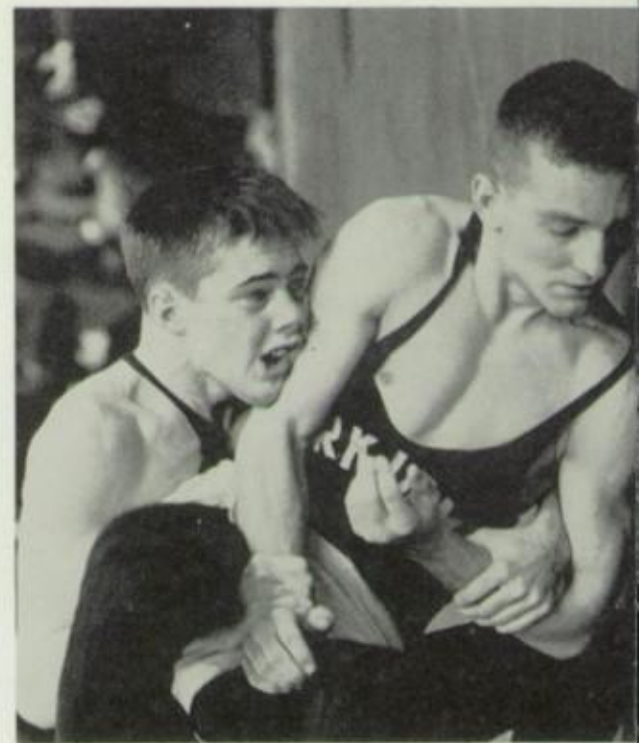

Albert, championship bound

Friends (48-5).

In the Episcopal tournament, the team produced seven champions: Bentz, Pfaeffle, Nance, Kennedy, Reed, Price, and Smith and set a new record for Palestra team points of 123. Walters and Marshall were defeated in the finals, Walters losing an extremely close match to the boy named "best wrestler in the tournament."

High points were the undefeated seasons of Bentz, Capt. Nance, Reed, and Smith, the pins in the finals of the tournament for Kennedy and Smith, and the unusually high point totals of Price (57), Kennedy (57), Smith (62), and Bentz (66).

John Reed was chosen as next year's captain.

CAPTAIN WEST

Squash

The squash team, under the captaincy of John West, had a respectable season this year with a 6-5 record. Due to the coaching of Mr. Charles Dethier they captured the Inter-Ac Title by winning all four matches.

The racquetmen defeated Penn Charter, 4-3 and 5-2, and easily trounced Episcopal, 7-0, both times.

In the first match of the season the Fords were beaten by a strong Yale freshman squad, 4-3, as only the first three men, West, Burt Gay, and Rick Mellor, were victorious.

In the first match against the Penn Frosh only Gay triumphed; but the two teams' second meeting resulted in a Haverford victory, 4-3.

The squash team then was shutout twice by the Princeton Freshmen and in two matches split with Hill to complete the year.

Considering the loss of four seniors, the defending 1961 champs did very well against older more experienced college teams as well as opponents of their own scholastic level.

MAIN LINE

Haverford Wins 5th Title Of Year Taking 1A Track

5 Crowns, No Losers

Haverford School capped one of its most successful years in athletics Friday (five titles) winning the 76th Inter-Academic League track championship with double wins by Bill Reeves and Harbie Moore.

1962

Haverford School's varsity athletes finished one of the best years they ever had Friday when they swept to victory in the 1A track and field championships with its cindermen joining the football, wrestling, squash and tennis teams as league champions.

The varsity gridders compiled a perfect 8-0-0 tab under coach Ed Baker while Neil Buckley's grapplers won their 12th 1A title with a 15-1 tab. Charlie Dethier's squashmen turned in a 6-5 second for their title with Don Richardson's tennis team winning the league crown with a 10-1 record.

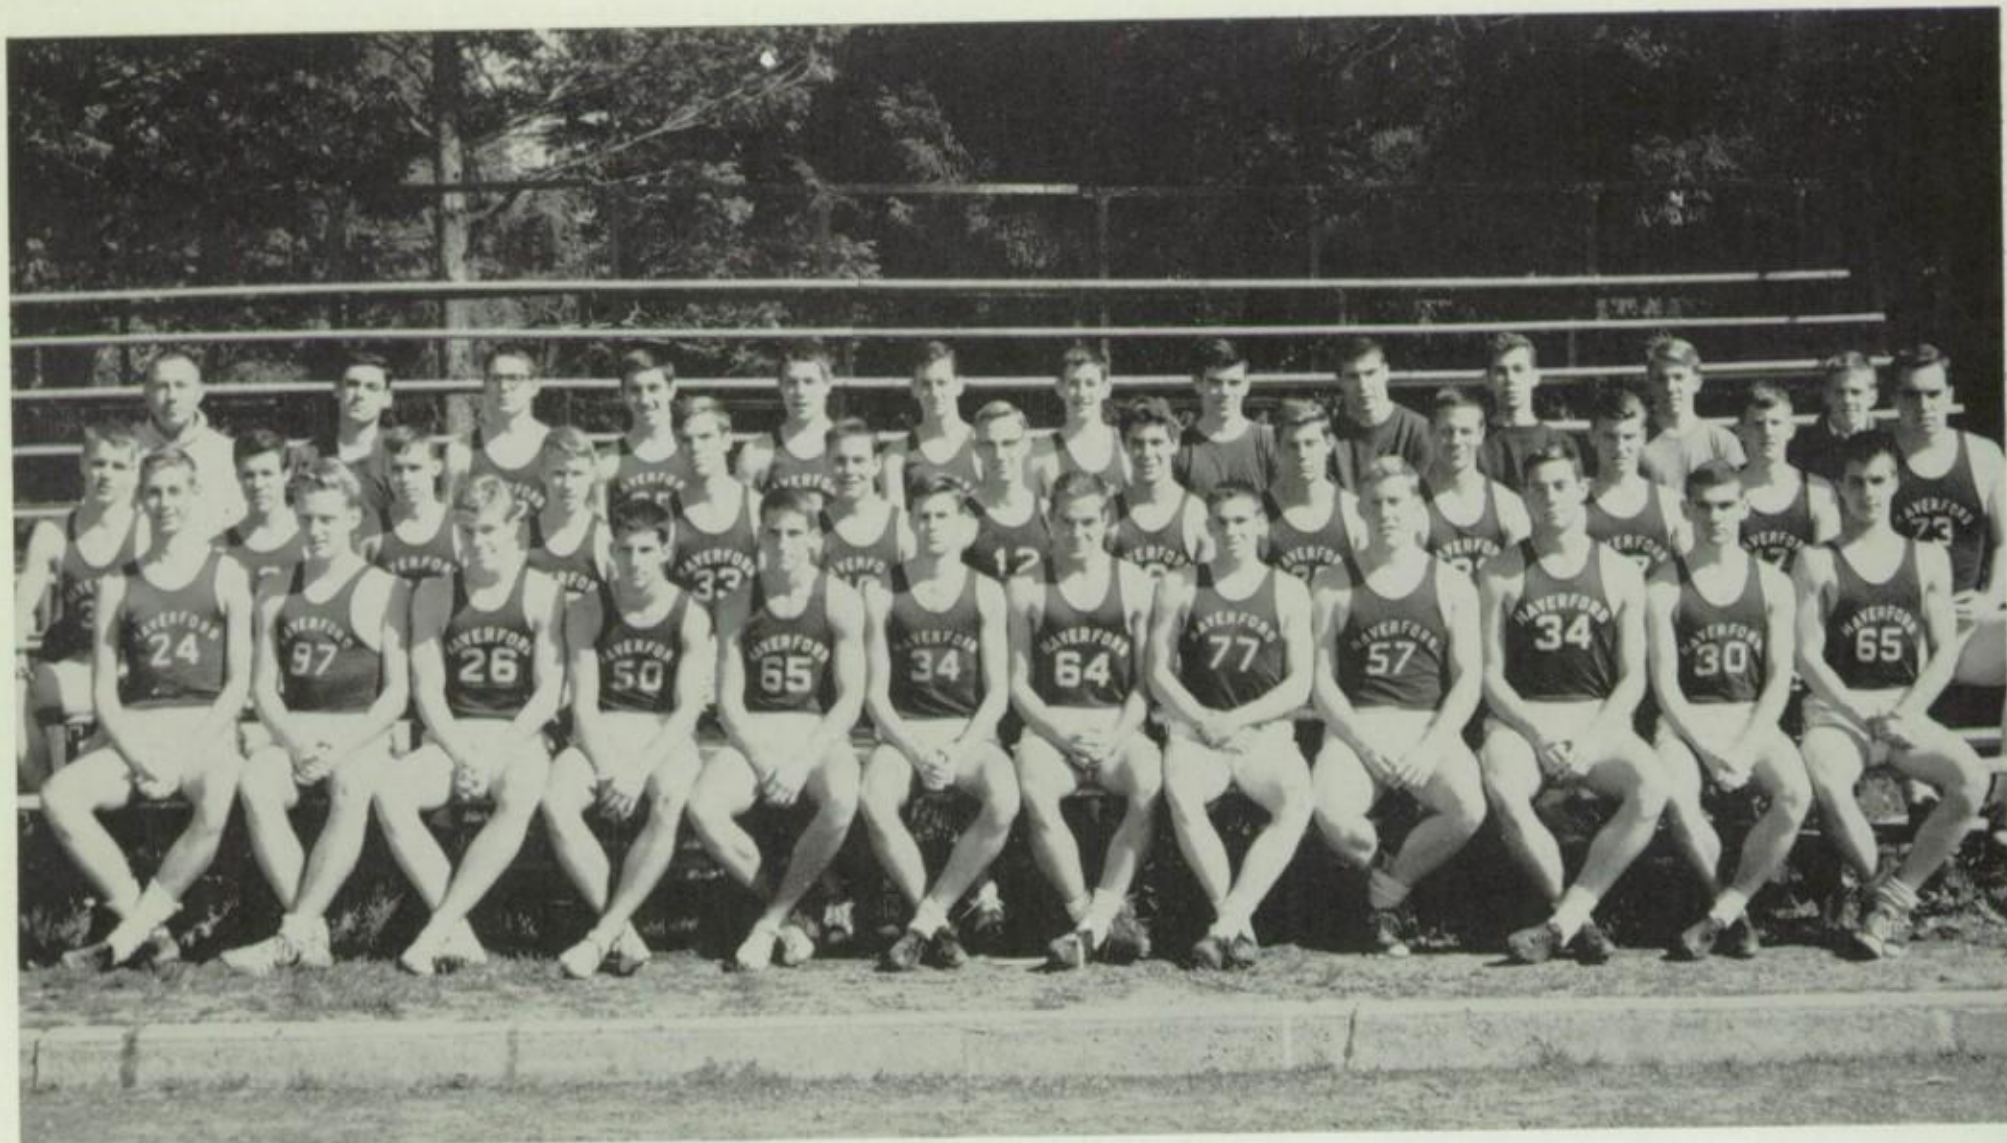

Two other teams had successful season and although they do not compete on a league basis, shared in the laurels this season. Joe McQuillen's swimmers finished with a 7-4 record with Fred Leonard's crew win-

ning the National squad championship recently on the river and also chalked up wins in other events during the season. The basketball team finished with an 11-9 record; soccer an 8-3-4 record; baseball an even 8-8 mark and golf a 7-7-1 record. No team had a losing season with the varsity teams posting an 88-39-5 season record for a .667 percentage without ties.

Dave Cantrell and Richard Cohen swept to wins in the Middle States Interscholastic tennis championships this year with Cantrell winning the 18-and-under while Cohen took the 16-and-under title. H. Burton Gay was also an individual winner, taking the 196 New York Racquet and Tennis Club's interscholastic squash rackets tourney.

FULL HOUSE plus two. Haverford School has won five of the nine Inter-Academic League titles this year and two other teams were highly victorious although they don't compete in any league. The Wrestling, track, football, tennis and squash teams won titles while the swimming and crew squads showed well outside any league. Shown are the various captains (front row left to right) Harbie Moore, track captain; Townley Larzalere, swim captain; Peter Nance, wrestling captain. Back row same order: Sam Kirkland, crew captain; John West, squash captain; Dave Cantrell, tennis captain and Ed Stringer, football captain.

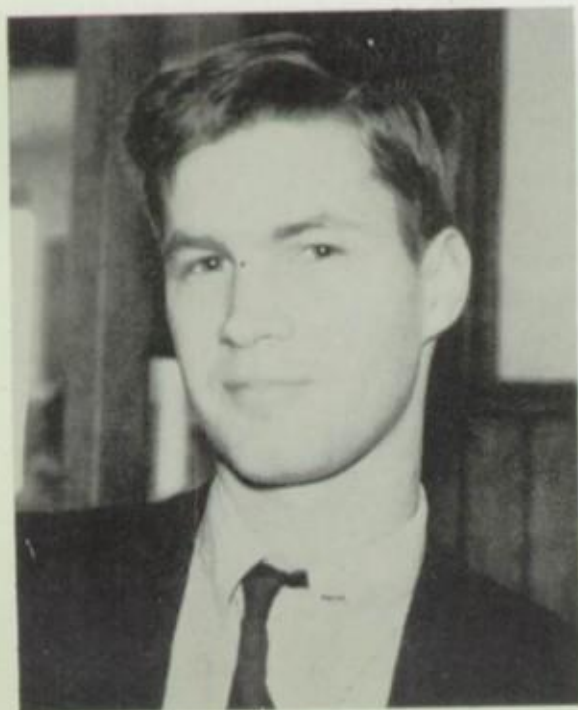

Back Row: Mr. Buckley, Wahmann, Lamp, Stevens, Blair, Cleveland, D. Hughes, N. Nickle, Wiley, Kennedy, J. Hughes.
 Middle Row: Prewitt, Baird, Pfaeffle, Cowan, Harrison, Dudley, League, Cutler, Tapsell, Greenwood, Walther, Fulweiler, Campbell.
 Front Row: Talbot, Calder, Price, G. Reeves, B. Reeves, Moore (Capt.), Elliott, Haganir, Shay, Smith, Marshall, Weiland.

Track '62 Inter-Ac Champs

The track team dominated a strong Inter-Ac league this year. It posted an 8-1 season record, losing only to Harriton in the first meet of the season. Malvern, the pre-season league favorite, gave Haverford its only strong competition, but the cinderman won a very close duel meet with the Friars and overwhelmed them in the championships.

In the Inter-Ac Championships held at Haverford College, Haverford's team scored 52 points to win handily. Penn Charter was second with 37 points. Captain Harbie Moore and Bill Reeves were double winners; the mile relay team of Jeff Dunn, Harry League, Whitney Smith, and Ben Elliott won an unexpected victory; and several other thinclads placed in several events to clinch the championship.

14's Track

Back Row: Mr. Fortenbaugh, Smith, Wiley, Borden, Cunningham, Walther, Chandler.
 Middle Row: Clader, Coons, Verdiani, Converse, Howson, Keay, Bell.
 Front Row: Pries, Pew, Bateman, Boyer, Johnson, Seiver, Price.

Junior Track

Back Row: Mr. Smith, Albers, Serrell, Sylk, Harrity, Potts.
 Second Row: Wood, Reardon, Thorn, Widing, Lovelace.
 Front Row: Neidig, Wheeler, Geer, Emory, Earnst, Robinson.

Back Row: Mr. Parsons, Larzalere, W. Smedley, E. Stringer, Mr. Cullen Beck.
 Middle Row: Schmidt, D. Wilkins, Lamphere, G. Hanson, Dyer.
 Front Row: T. Spence, P. Howson, Reese (Capt.), J. Vallely, J. Newbold.

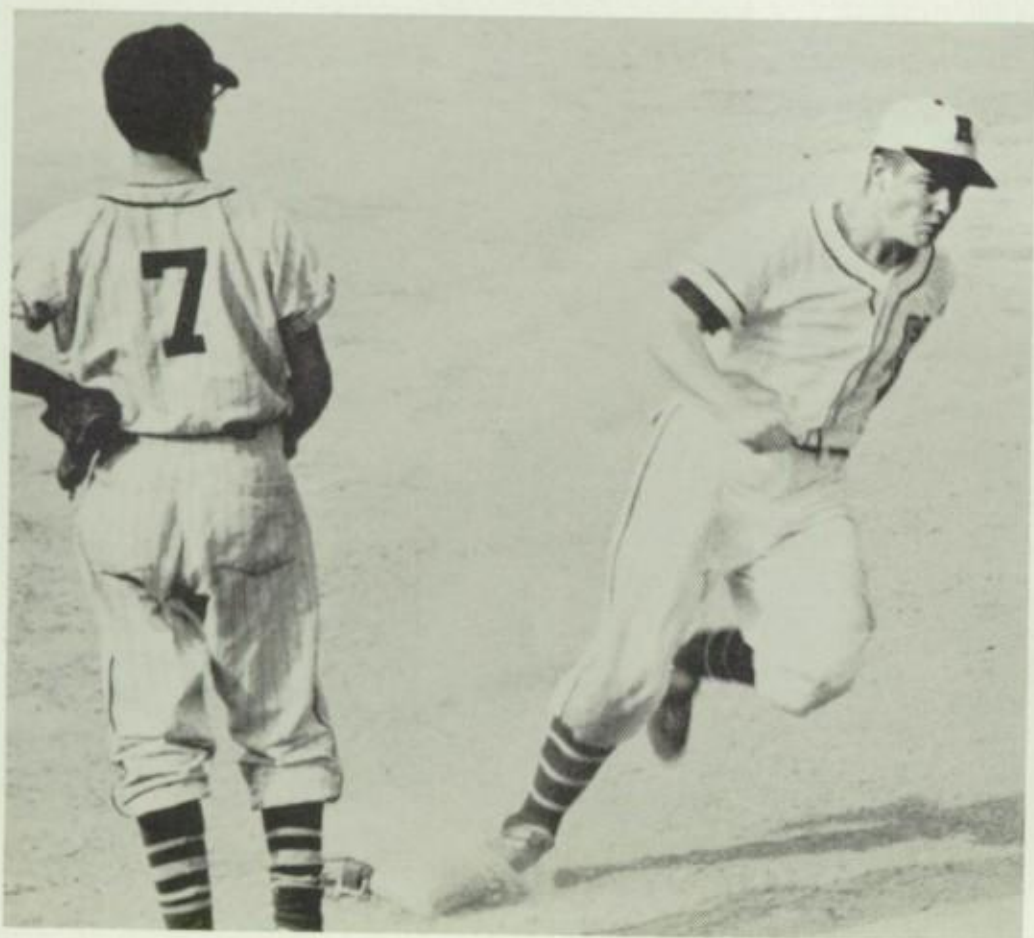

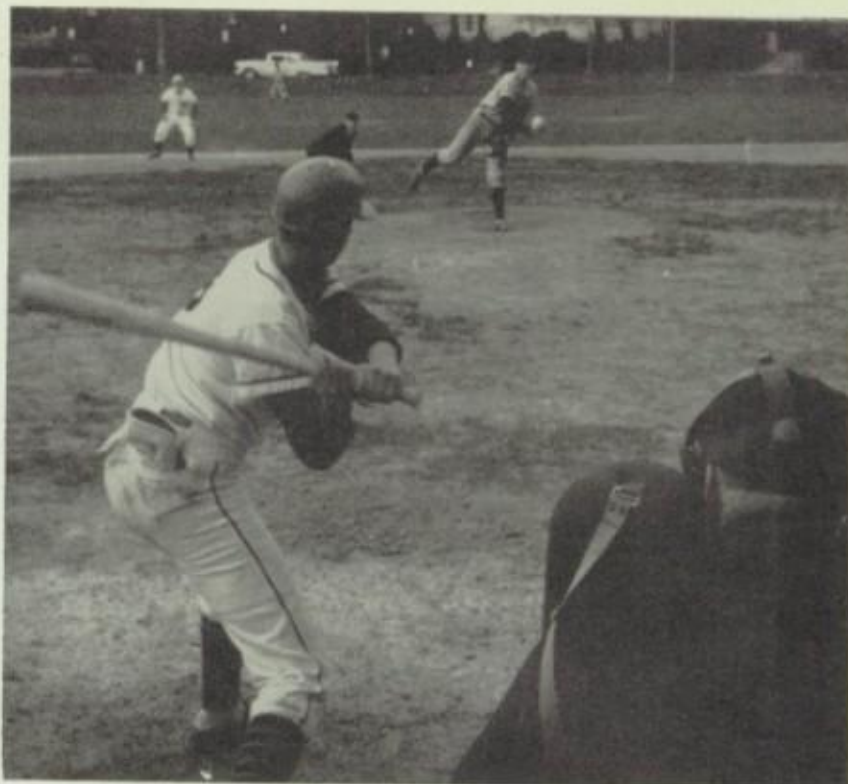

Baseball

The Baseball team, captained by Don Reese, had a respectable 8-8 record after several poorer seasons. The team was made up of boys with a great amount of spirit which carried them through several very close games. After a miserable start, losing 5 of 7 games, the diamond men came alive and won 7 of their last 9.

The season started with losses to Frankford and Hill. The Fords defeated Penn Charter 4-0, but then lost two to Episcopal and Malvern. After beating Germantown Academy and losing to Lawrenceville, they gained winning form. In the second half of the season the boys lost close games to Penn Charter and Malvern, but Chestnut Hill, Friends Central, Episcopal, Germantown Academy, Gerard College, and Chestnut Hill and Friends Central again went down to defeat at the hands of the improved Haverford nine. The pitching of Don Reese and the timely hitting Jock Newbold sparked the comeback.

CAPT. DON REESE

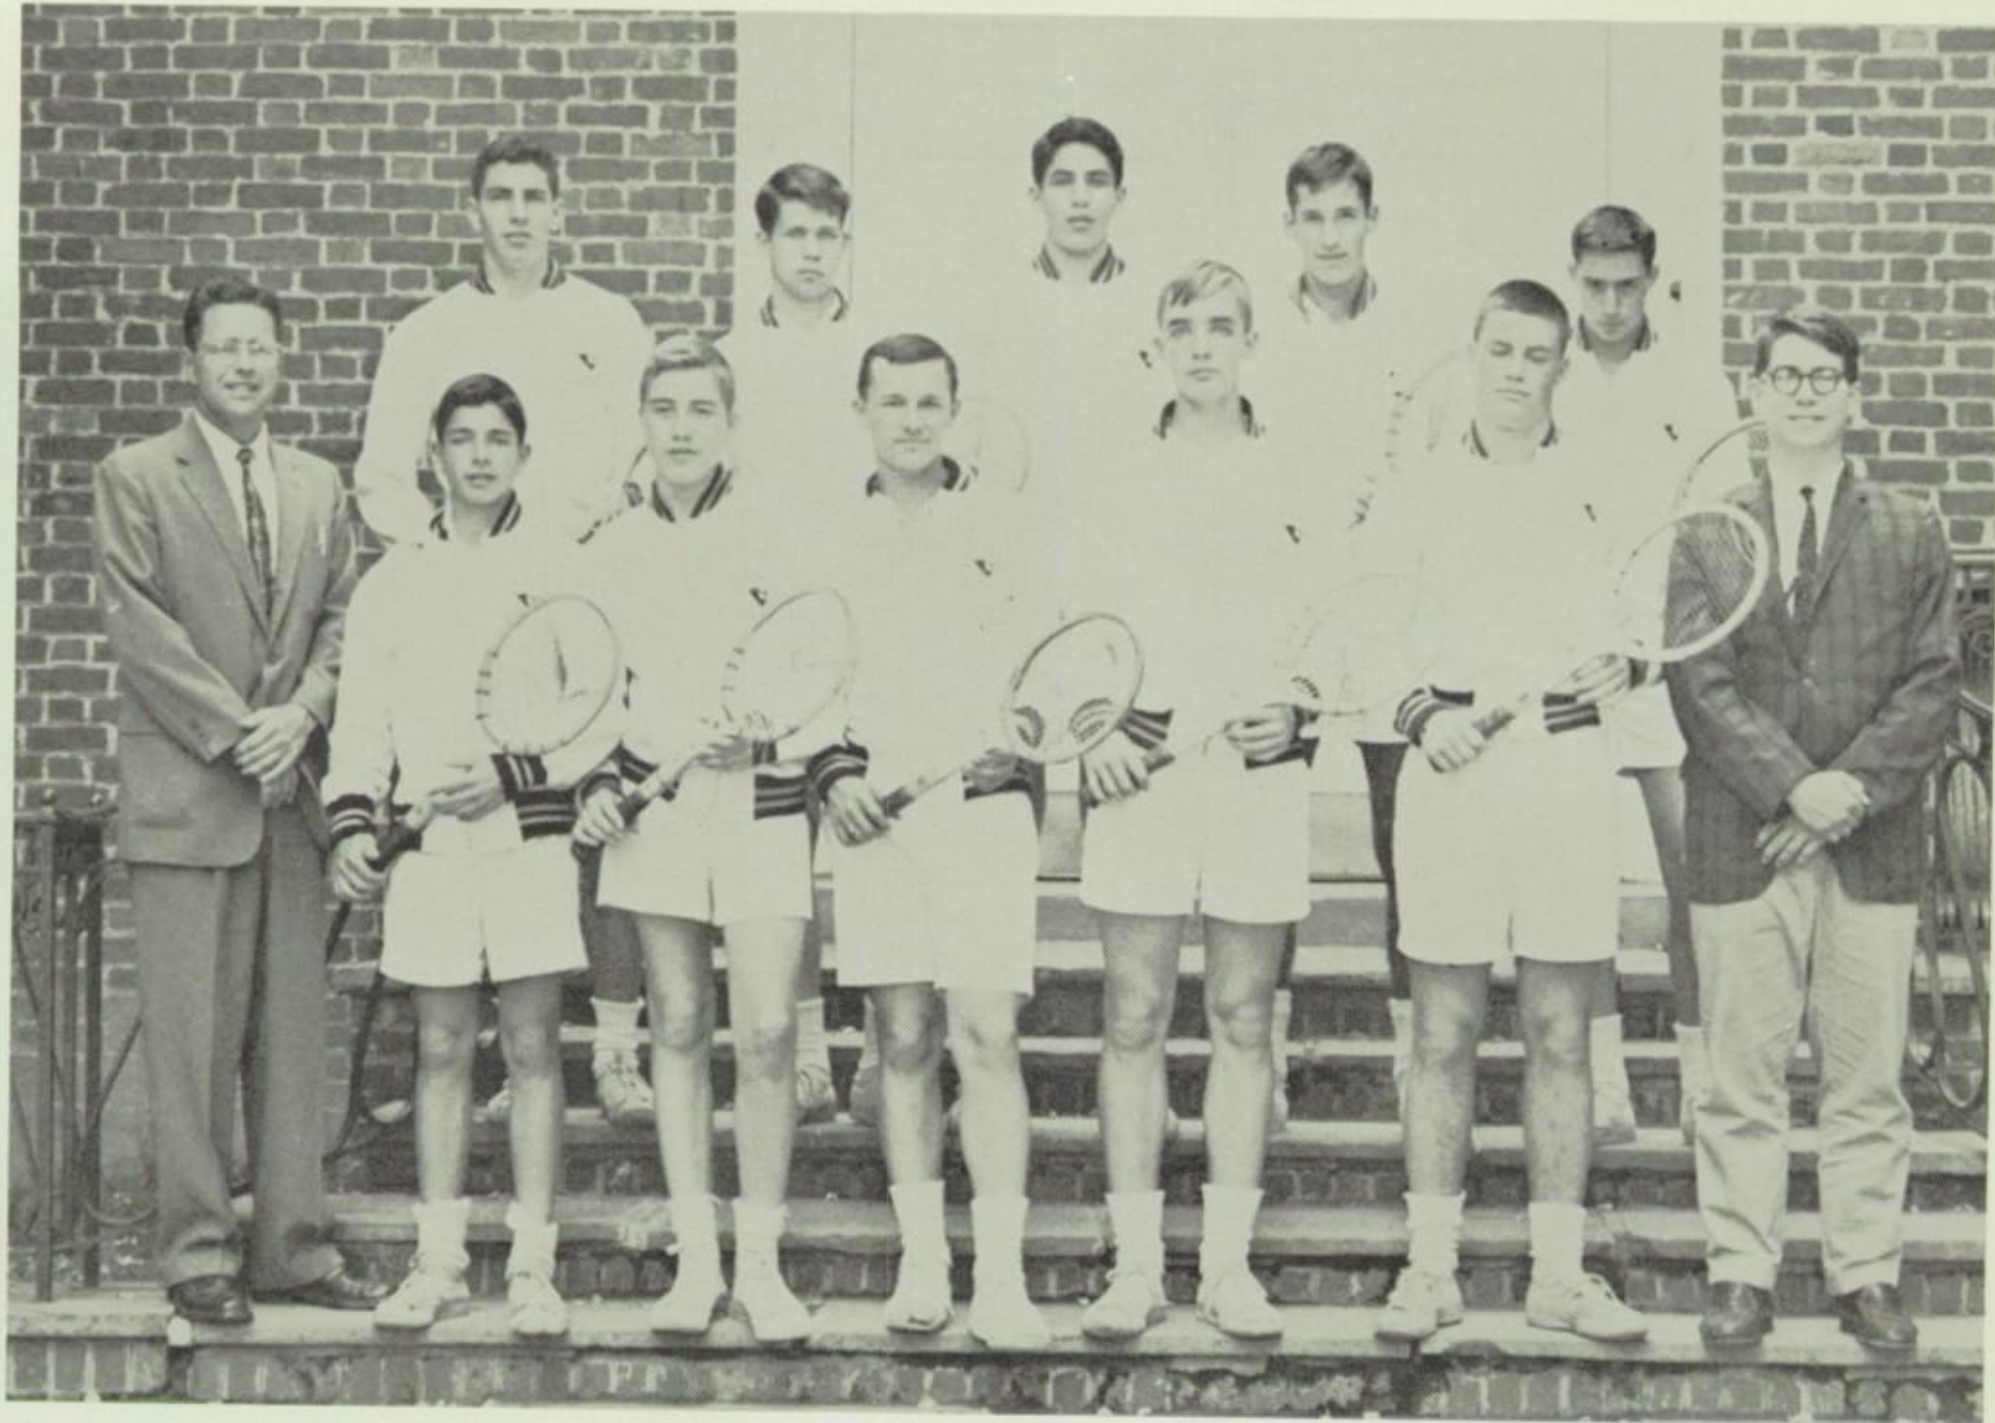

J.V. Baseball

Back Row: Ogden, Greenough, Frazier, Grisdale, Mr. Hofstetter.
 Middle Row: Hare, McCoy, Costello, Atwater, D. Wilson, Duer, J. Keay.
 Front Row: D. Newbold, Thoroughgood, LaForce, Oram, J. Hughes, Baker, Pfeffer.

14's Baseball

Back Row: Mr. Heyward, Nevin, Cooke, Beatty, D. Jones, Wilkes.
 Middle Row: K. Scott, Young, J. Marshall, Dripps.
 Front Row: Dembergh, Daley, Stromeier, H. Stringer, Leonards.

Back Row: Reichel, DeWitt, Levit, R. Mellor, D. Mellor.
Front Row: Mr. Richardson, Cohen, Terrell, Buzzard, Cantrell, Thacher, Lincoln.

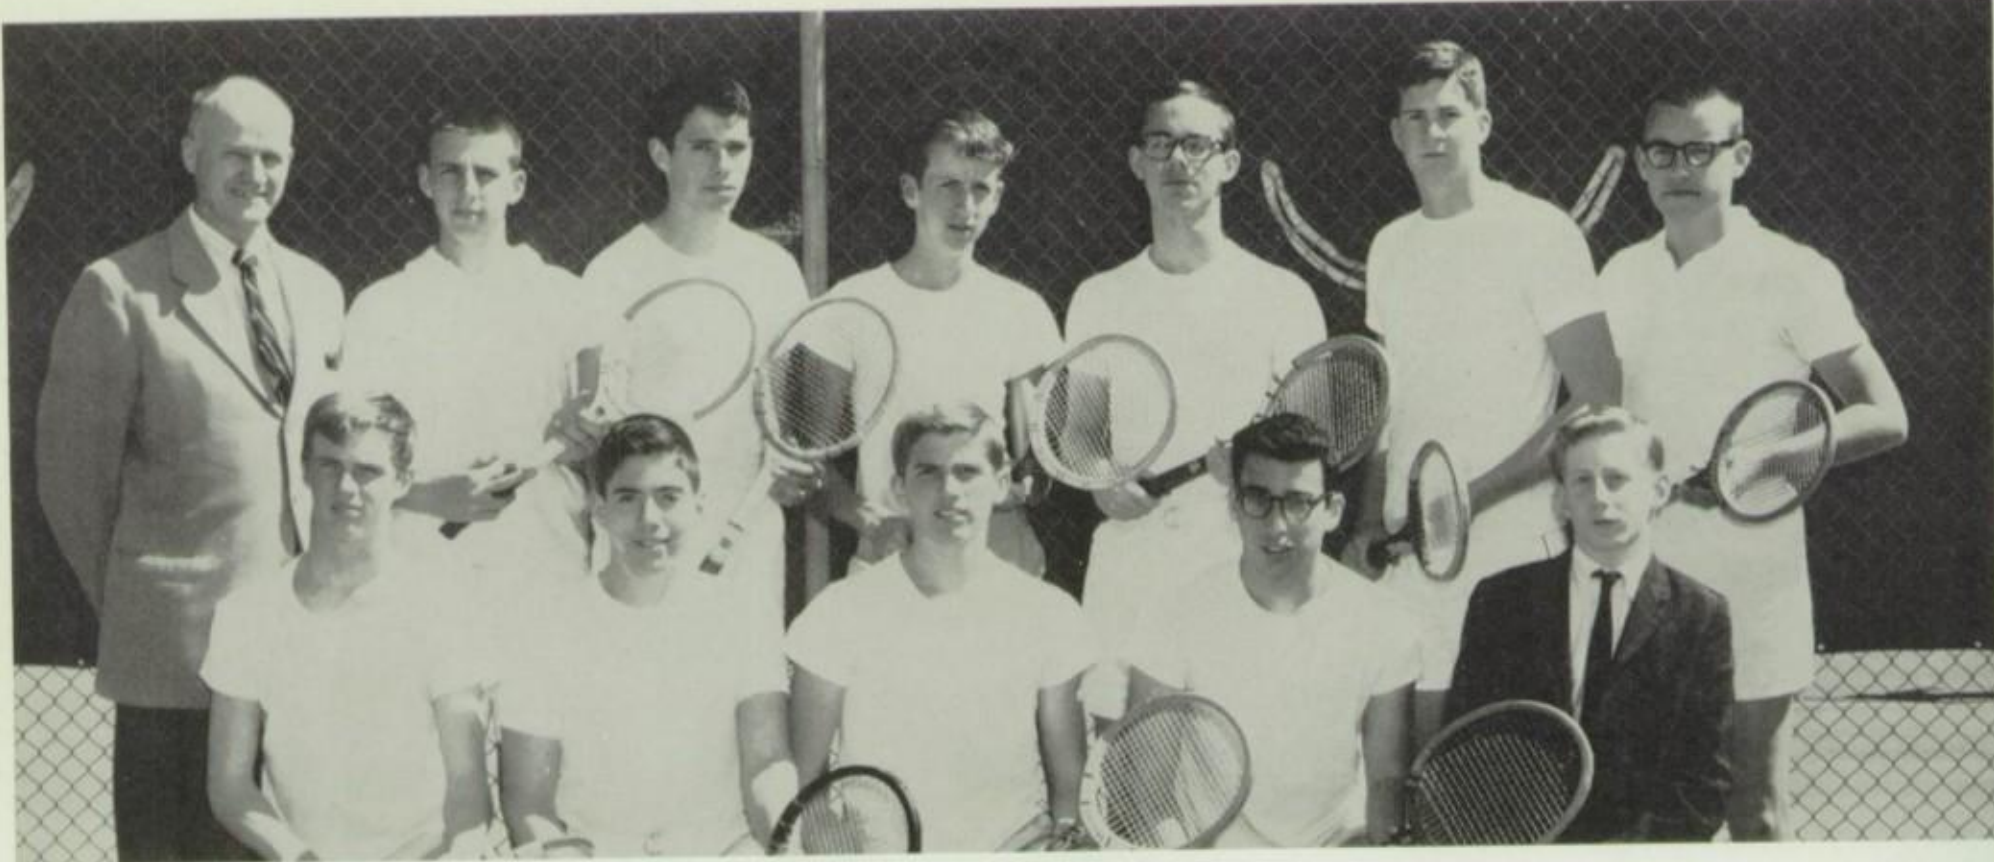

CAPT. CANTRELL

Tennis

The Tennis team this year had an almost perfect season. Only a first match 4-3 loss to the Hill School blemished the record. The lineup of Dave Cantrell, Richard Cohen, Rick Mellor, and Doug Mellor in singles, and Jeff Reichel, Larry Terrell, Saul Levit, Bill DeWill, John Thatcher, and Howard Buzzard in doubles, defeated Lower Merion, Chestnut Hill, Haverford College J.V., Cheltenham High School, Episcopal Academy, Malvern Prep, Harriton High School, Germantown Academy, Penn Charter, and Germantown Friends. Thus they easily won the Inter-Ac Championship.

The Middle States Tennis Tournament, held at Haverford, marked the highlight of the season. The Haverford netmen swept the event for the first time for any team. Dave Cantrell and Richie Cohen won single crowns, while Cantrell and Rick Mellor and Cohen and Doug Mellor won the doubles. It was a fitting end for a great season.

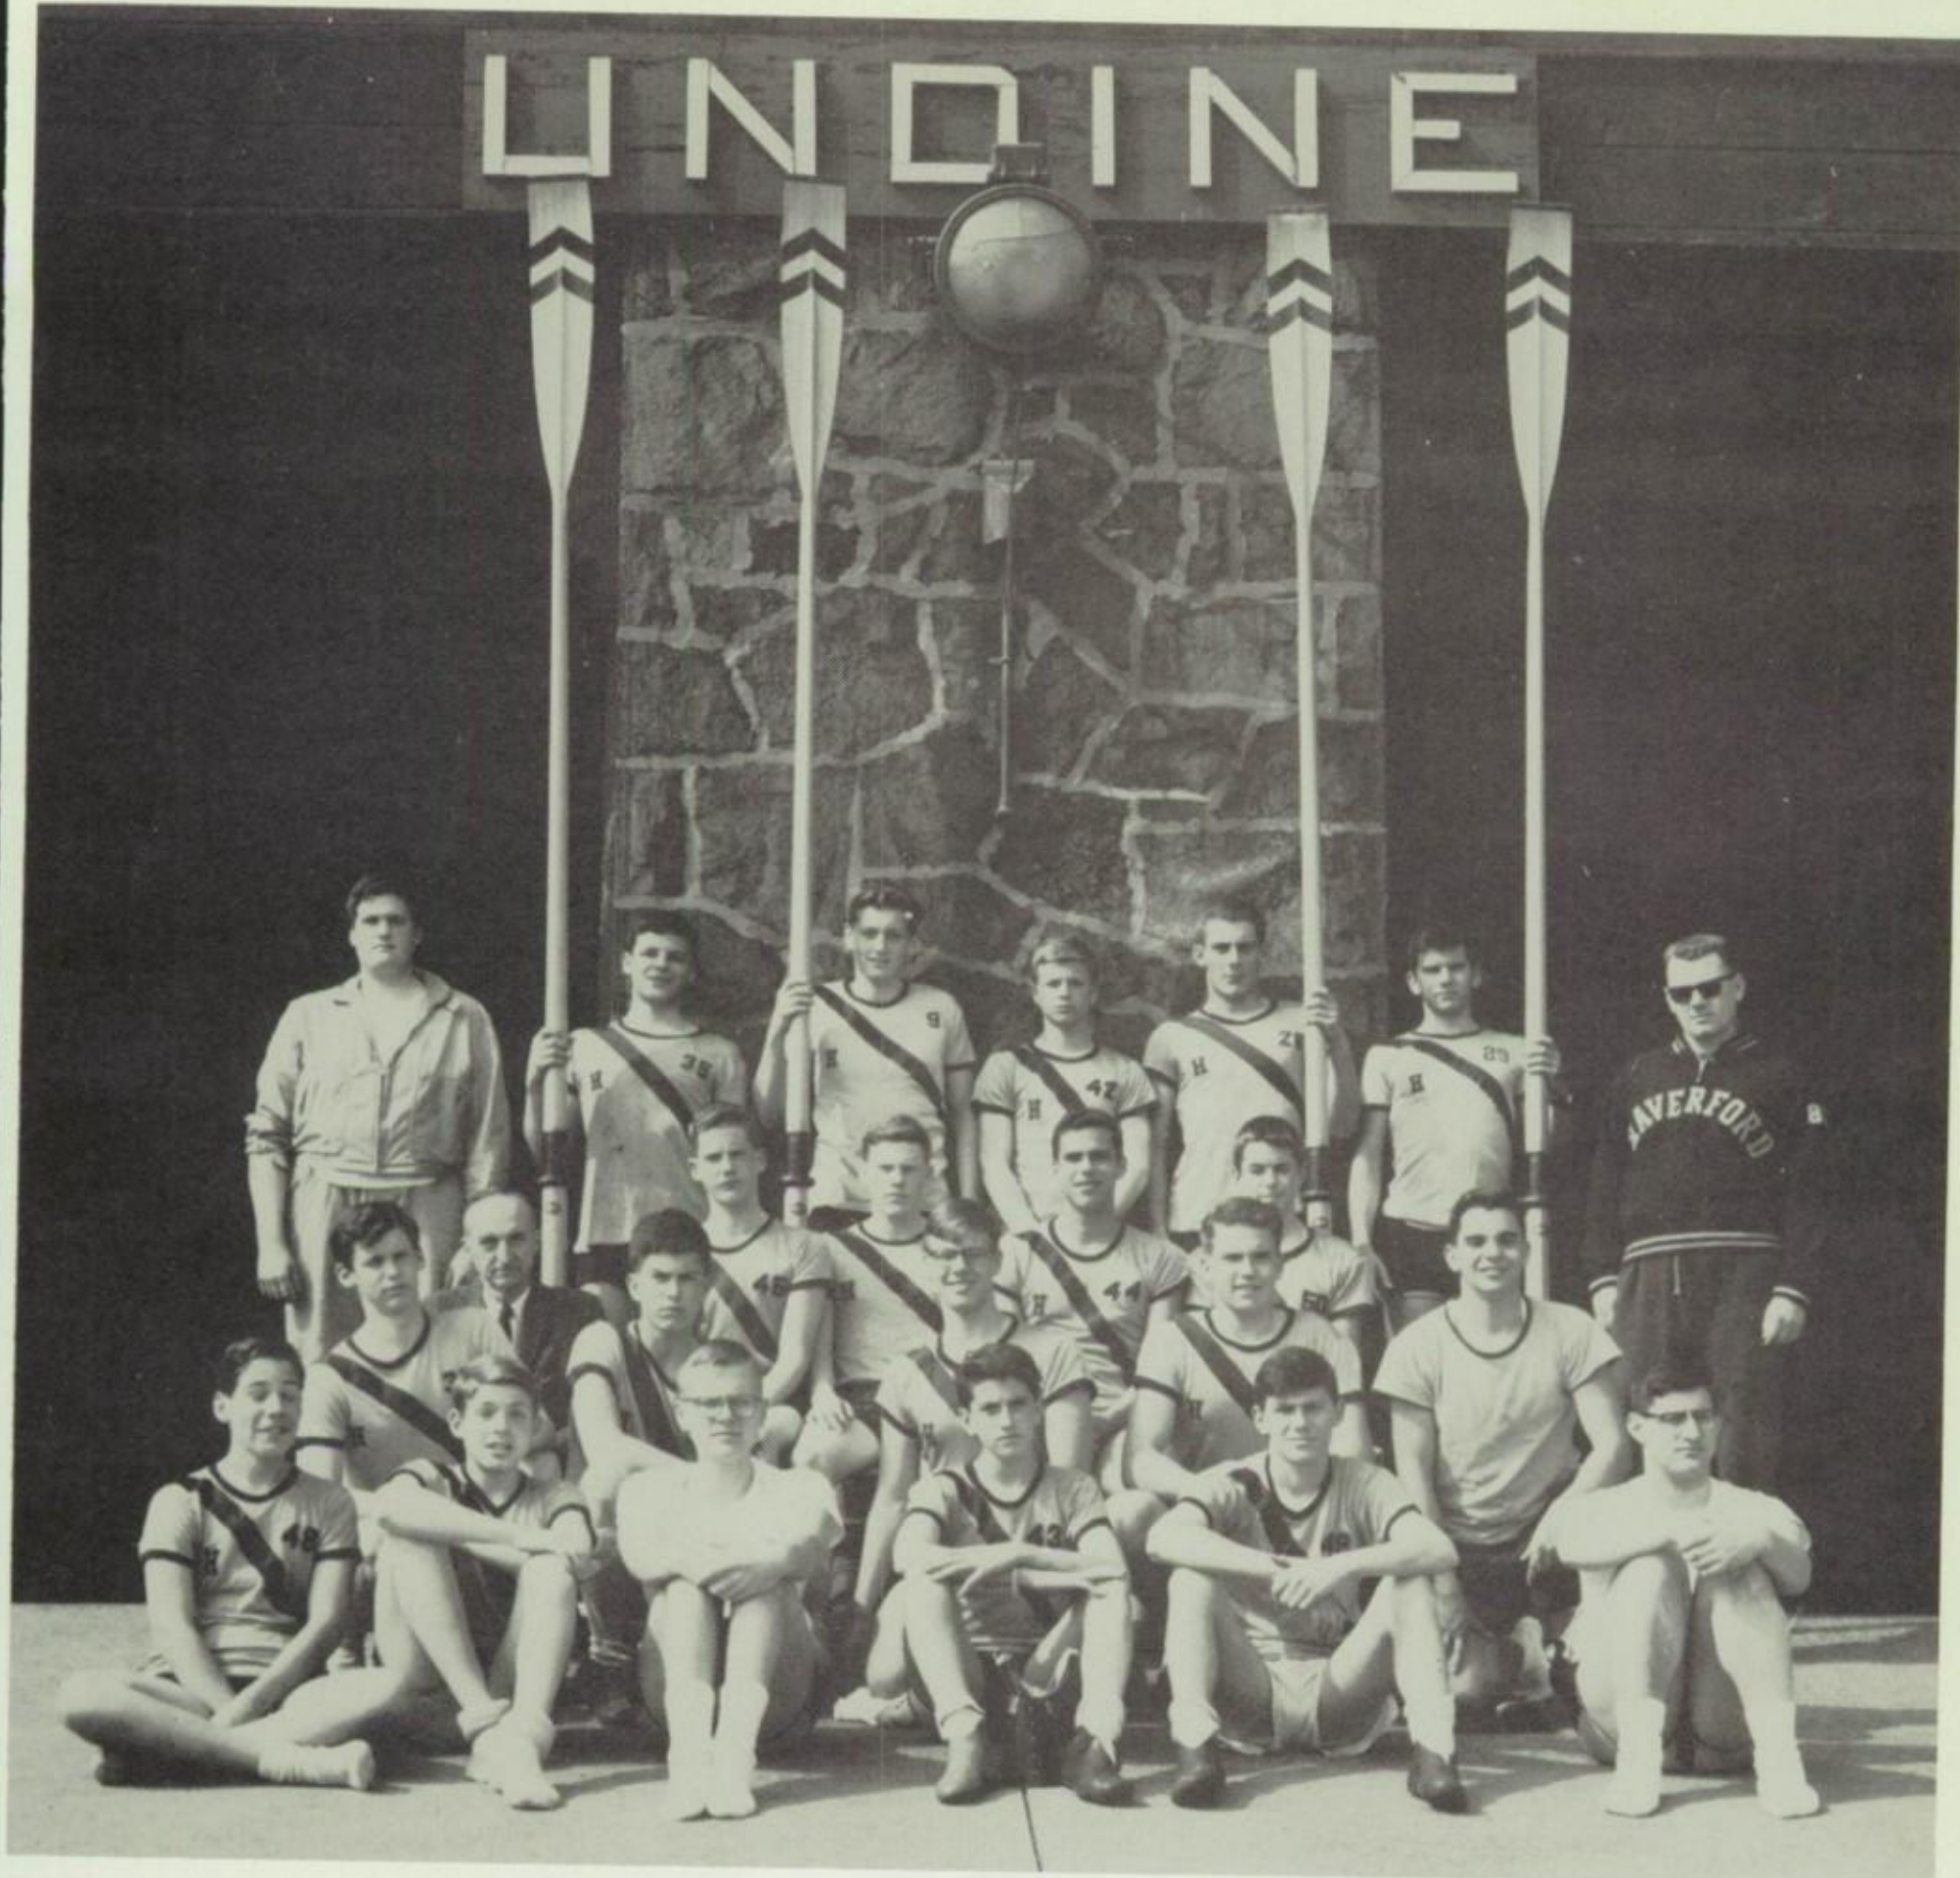

Back Row: Coach Ramie, Bryans, Epes, Pratt, Pollard, McKeag, Riley.
Front Row: Hayward, Pennies, Bullitt, Kirshner, Englebach.

J.V. Tennis

Pregame Tension

*Back Row: Bissell, Kirkland, Foltz, Morris, Page, Wark, Coach Leonard.
 Third Row: Briner, Nye, High, Carr, Callaghan.
 Second Row: Lovelace, Manno, Putney, Shearburn, W., Glasberg.
 First Row: Kubach, Williams, Andrews, Shearburn, I., Wright, Edeikan.*

Crew

"Let's get Page," was the cry, and numerous hands dragged him down to the edge of the slip where in he went! This raucous event marked the end of an interesting and rewarding crew season. After 24 races with 50 schools, Haverford won 12 firsts and received 6 trophies.

This year's very young, lightweight team started work in icy February to reach their spring peak. The Varsity Four, J.V. Double, and J.V. Four won the City Championships. The doubles won at Stotesbury despite the interference of the College Boards. The final highlight was a National Championship victory by the Varsity Quad. Bill Wark, Clem Page, Jeff Foltz, and Sam Kirkland won this big race to become U.S. and Canadian Champions. The Varsity and J.V. Doubles were just edged out for other first places. The doubles were rowed by Jeff Lovelace, Rick Manno, Web Shearburn, and Floyd Putney. The inexperienced boys did much better than expected.

Center of activity and "Role-Players"

HAPPY Celebration

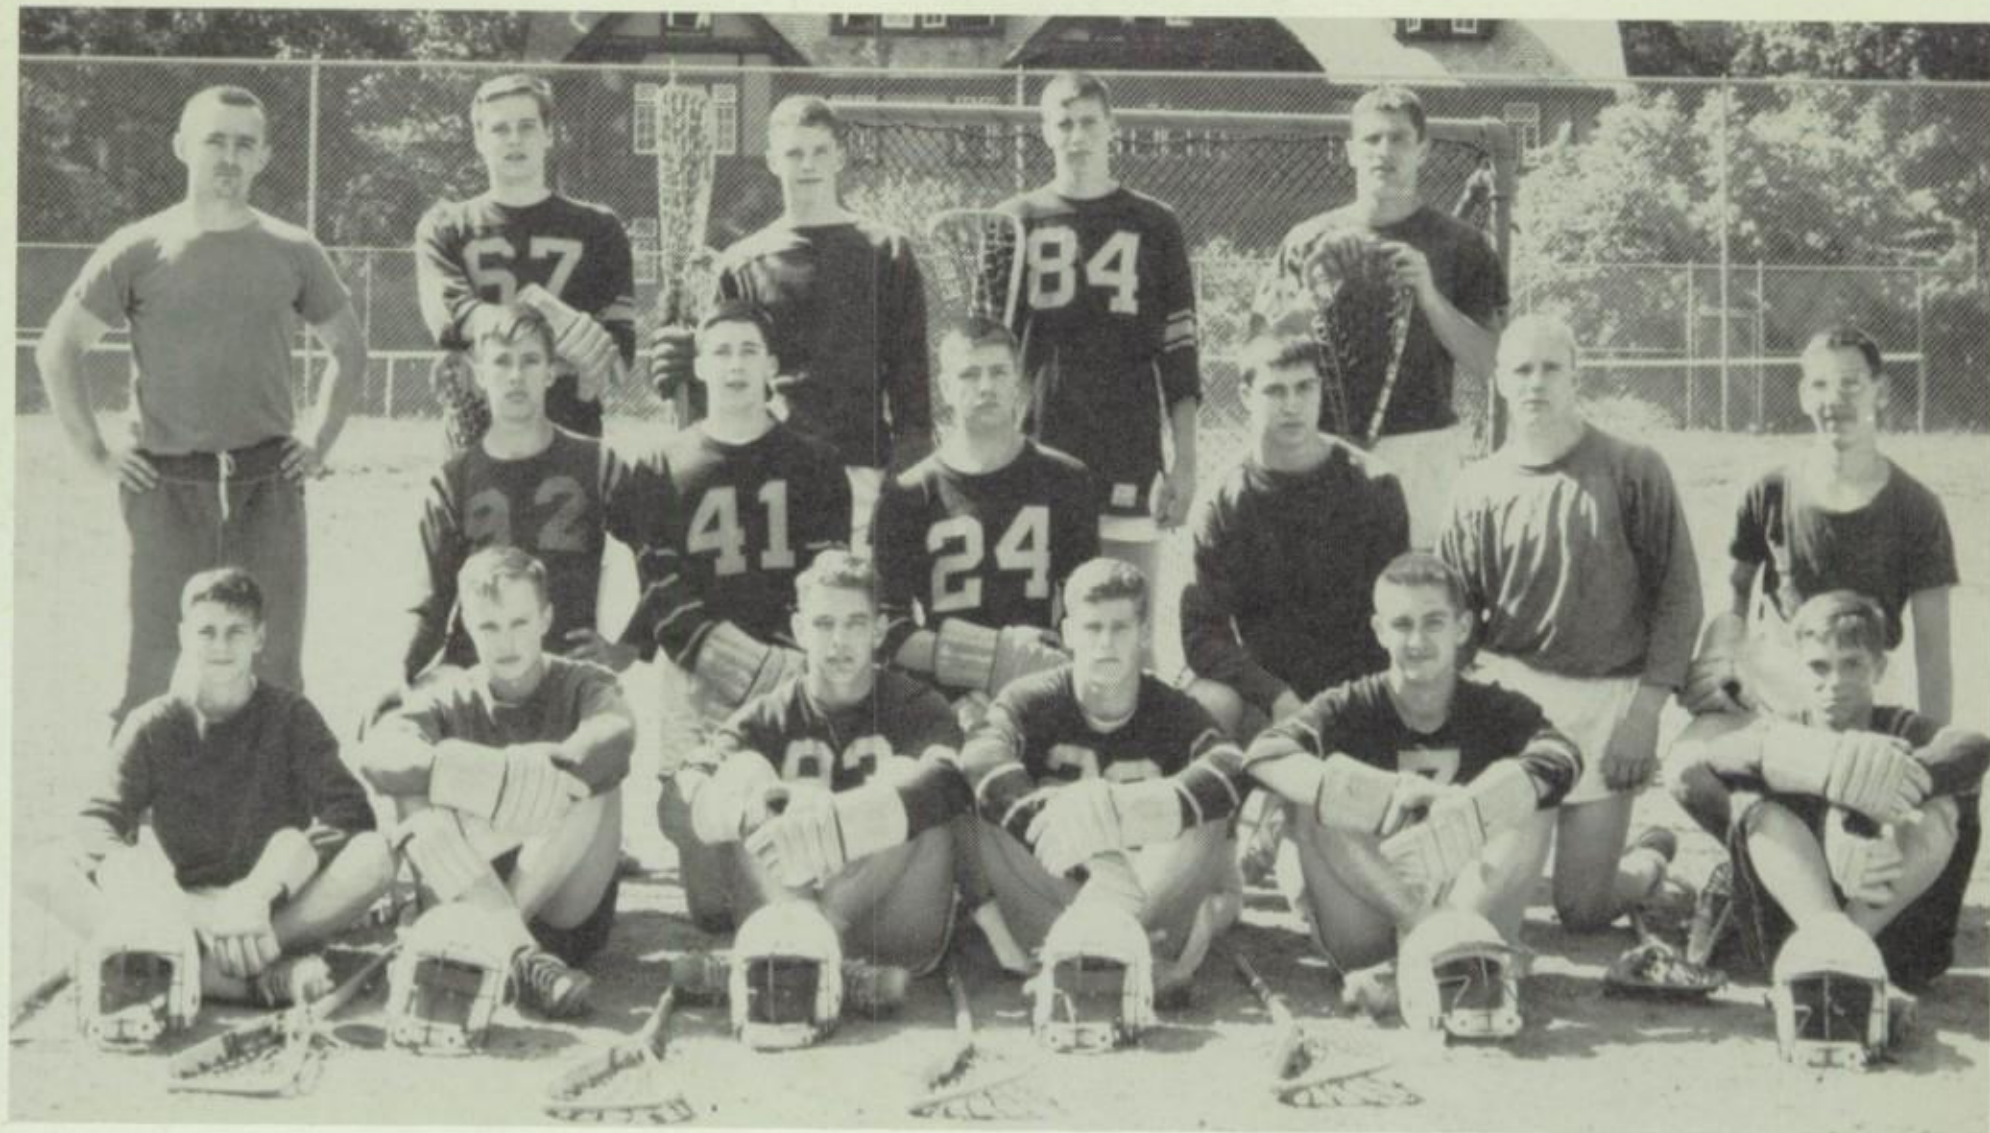

COACH LEONARD

"Natural Championship" Quad

Shearburn, Singer, Putney, Manno, and Little Shearburn in city championships.

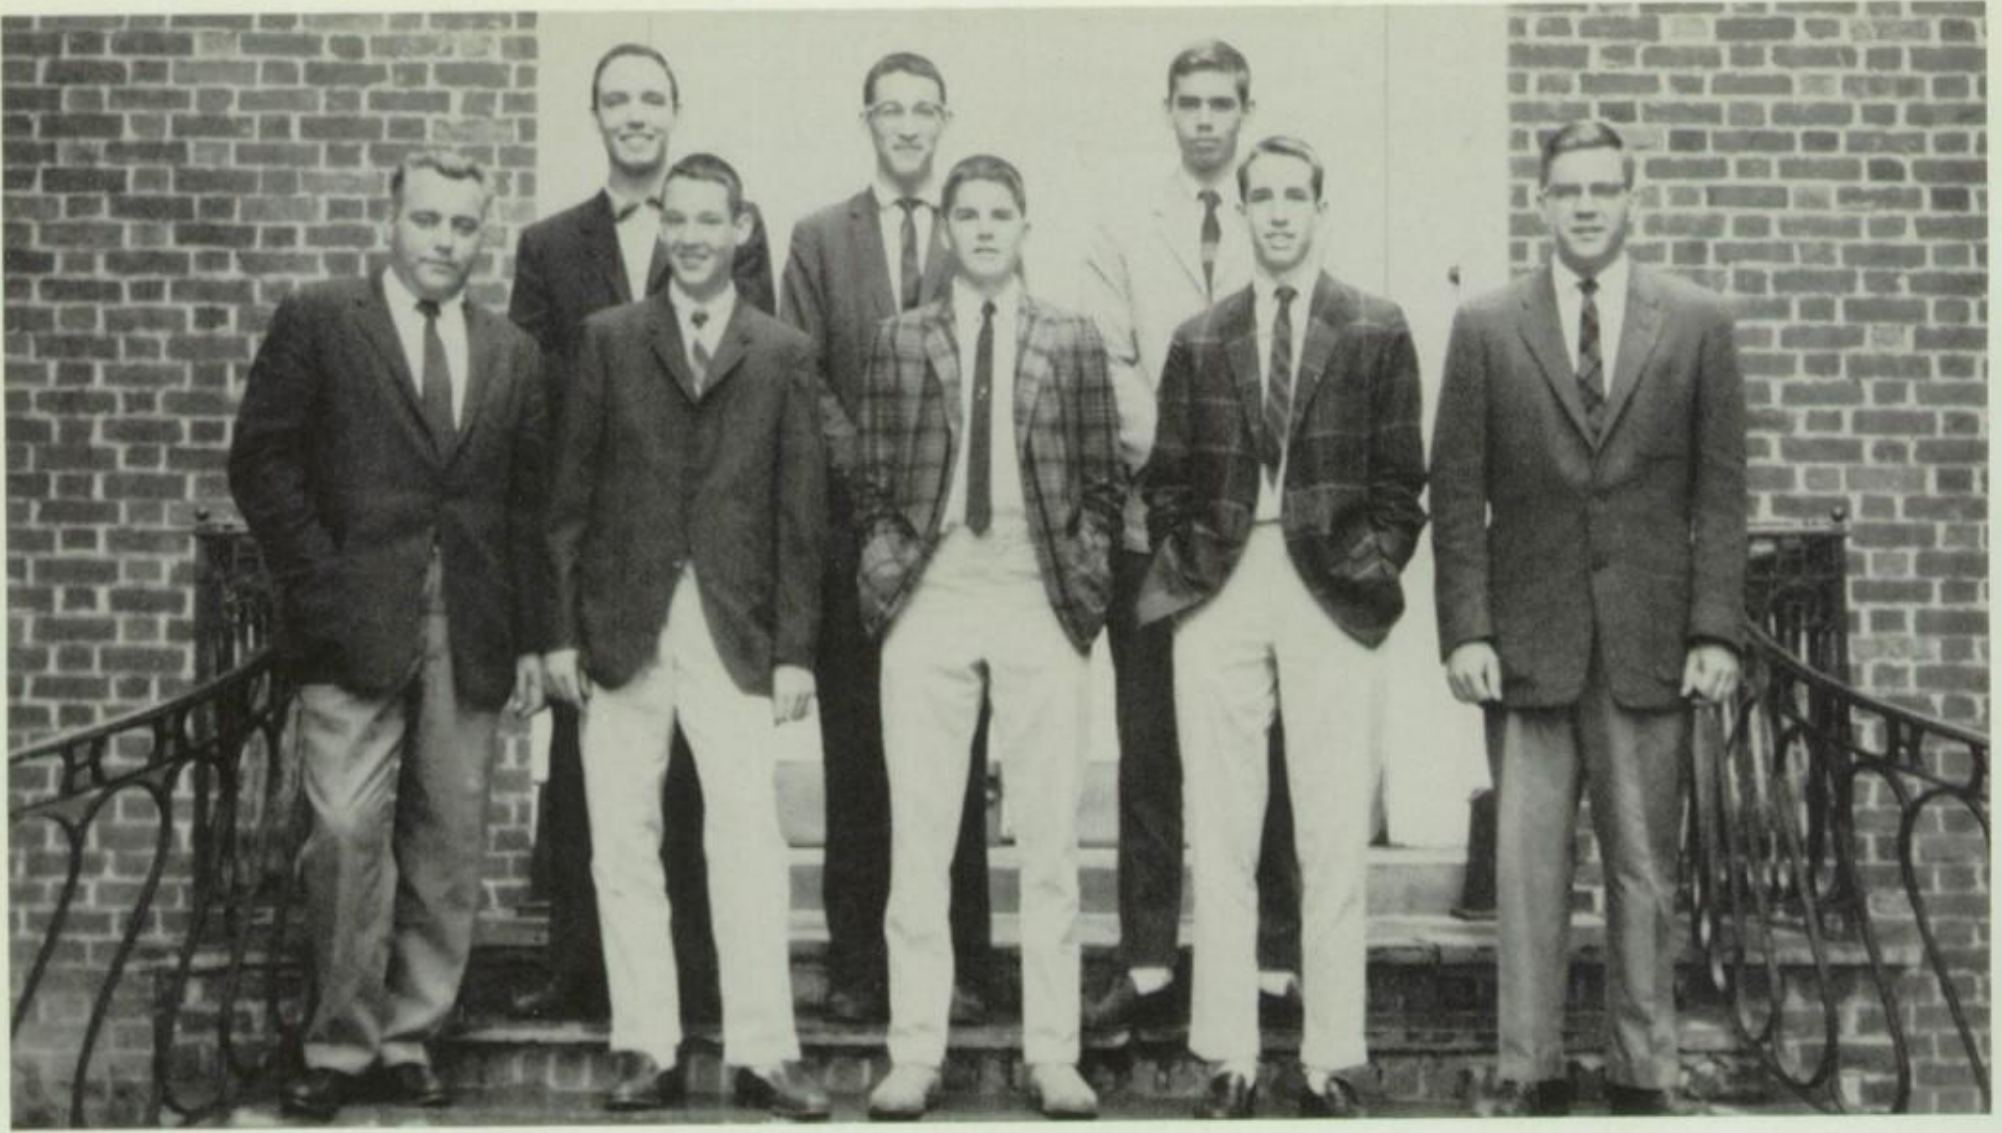

Back Row: Mr. Quinn, Johnson, Barnett, S. Chance, Hess.
 Middle Row: Butcher, Linville, Barker, Wiley, West, Robinson.
 Front Row: J. Chance, Madeira, MacBean, Dyer, Fischer, Brown.

Lacrosse

This year was the inaugural year for lacrosse and it was very successful. Coached by Mr. Al Quinn from Penn the team worked on fundamentals and eventually lined up several scrimages. The stickmen lost to Lower Merion and defeated Haverford High's second team, Abington High, and Hill. At the end of the season they tied a higher Lower Merion team than the one that previously defeated them. In a few years the school will have a first rate lacrosse team to take on all comers.

Captain-elect
 Chance
 Attacks

Back Row: Hannigan, Buck, Voorhees.
Front Row: Mr. Visser, Schrader, Keen, Kaier, Mr. Raper.

Golf

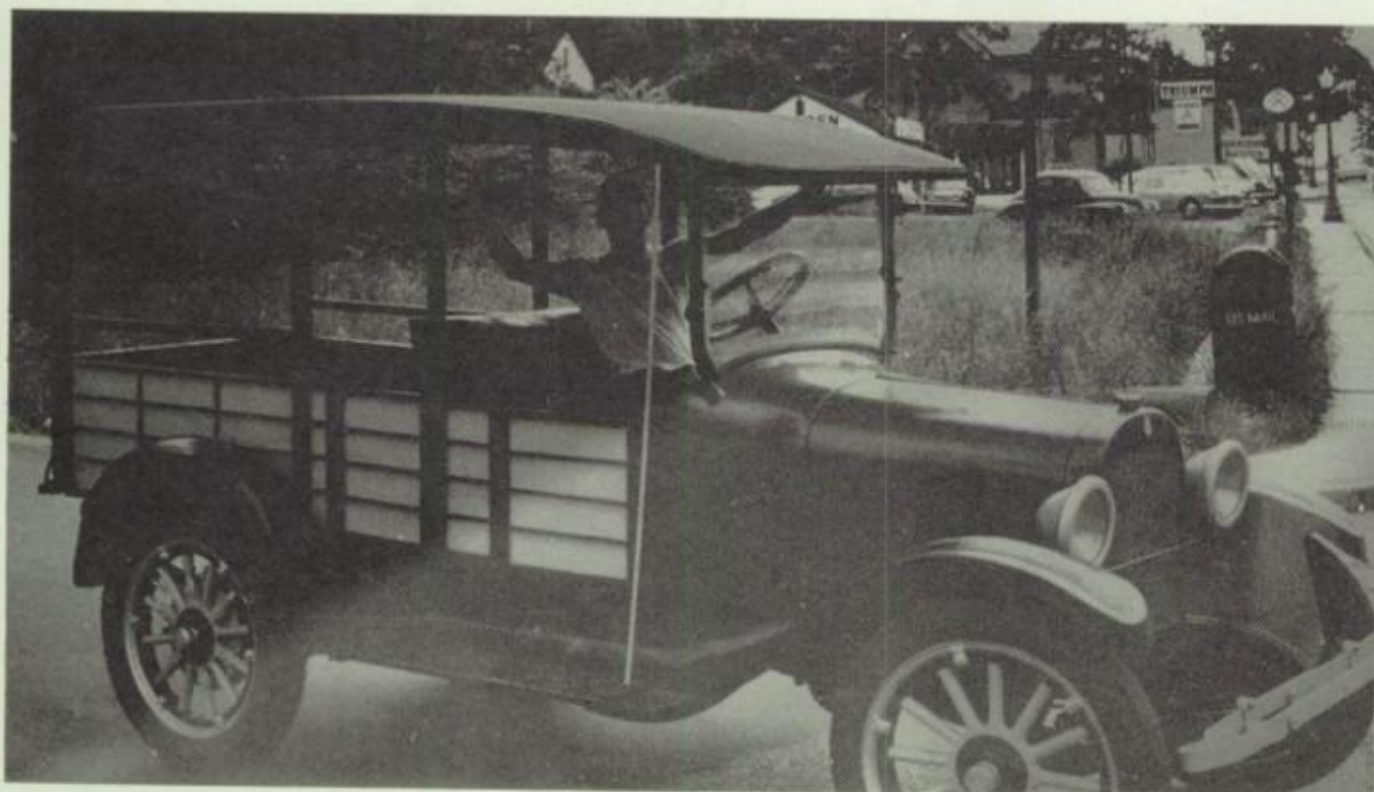

Mr. Raper, Mr. Visser, Capt. Voorhees

The Golf team consisting of Bill Voorhees, Hank Hannigan, Gordon Keen, Steve Shaffer, Tim Moan, Terry Moan, and Al Buck, had a rough season in a strong league. They managed to post a 7-7 record, and they certainly improved their game and enjoyed themselves a great deal. In league play, the boys defeated Episcopal and Malvern while losing twice to a very strong Penn Charter team. Most of the Haverford team consists of underclassmen so the record should improve next year.

Announcement of School Honors and Prizes LESLIE R. SEVERINGHAUS, Headmaster
Alumni Key Man Award WILLIAM BOULTON DIXON, '61
Award of Diplomas THE HEADMASTER

O HAVERFORD, DEAR HAVERFORD

I

O Haverford, dear Haverford
Thou guide of tender days,
To thee within these honored walls
We lift our hymn of praise.
Here on the threshold of our years,
With all the future free,
Our virgin hearts and powers we bring
And dedicate to thee.

II

Upon thy fields, within thy halls,
Full oft in eager round,
We struggle for the olive wreath,
And for the laureate crown;
With muscle tense, and mind alert,
We join the ardent strife,
And learn in mimic rivalry
The nobler game of life.

Announcement of Gift of Class of 1962 C. TOWNLEY LARZELERE
The Doxology THE AUDIENCE

The audience will please remain seated until after the graduates and other members of the procession have marched out of the Ryan Memorial Building.
